

<b>Course Title:</b> Ceramics & Sculpture 2 - Intermediate	
<b>Grade Levels:</b> 9-12	<b>Course Length:</b> Half year
<b>Prerequisites:</b> Ceramics and Sculpture 1-Intro	
<b>Course Description</b> This course is designed to further develop 3-D perceptions, manipulative skills, craft quality and through an in-depth study of ceramic and sculptural media. Building on the knowledge and skill C&S1, students will be required to visualize, design, and construct functional and decorative pieces. Emphasis will be on hand building methods and pottery wheel. Students are expected to assess and reflect on their artwork. Teacher's assessments will be based on the student's engagement level, quality of design and construction. Students are expected to be self-motivated and utilize class time and materials wisely. We are a team when it comes to studio maintenance and all students are expected to help clean the studio.
