YA'AT'EEH AND WELCOME TO TO'HAJIILEE COMMUNITY SCHOOL

The To'Hajiilee Community School is certified by COGNIA Global Commission on Accreditation as required by the Navajo Nation COGNIA office.

To'Hajiilee Community School is a P.L. 100-297 Grant School, funded by the Bureau of Indian Education (BIE) that serves grades Early Childhood through High School. The To'Hajiilee Early Childhood Programs consist of Family and Child Education (FACE), Preschool, and the Early Childhood Coordinated Services Program, which were established on campus to serve families with children from birth to 5 years of age.

HISTORY

To'Hajiilee is interpreted in English as "Drawing Water from the Canyon Well." The To'Hajiilee well is located in the canyon West of the school. The school was built by the Bureau of Indian Affairs in 1935 as a Kindergarten to 3rd-grade dormitory school. The dorm closed in 1975, became a day school, and expanded its grade levels. The To'Hajiilee community celebrates August 13th as Canoncito Band Navajo Recognition Day. In 1949, President Truman signed the land act bill, and became the law of the To'Hajiilee land. The name change from "Canoncito" to "To'Hajiilee" was initiated by To'Hajiilee Community School students by sponsoring a resolution before the To'Hajiilee Chapter and its people. The Navajo Nation Council supported the name change as well as the State of New Mexico, which then changed the signs on Interstate 40 in 2004.

GOALS

As a school community we set forth the following goals to achieve with our students:

1. To become literate in core content areas; Language Arts, Mathematics, Science, Social Studies and Technology so that they are prepared for continuing educational opportunities, future jobs, and/or careers.
2. To promote and integrate Dine' identity through language, culture, values, and history of the To'Hajiilee Community to embrace walking in beauty, respecting themselves, others, and community to serve as future leaders.
3. To become independent and capable citizens with leadership and advocacy qualities through life skills and wellness behaviors.
4. To learn and understand diversity and empathy through local, state and global societies as contributing citizens from the Navajo Nation.

As a school, we are committed to having a 95% or better student attendance rate. Federal regulation 25 CFR 36.31 states that "a student who has not participated, either directly or through approved alternative instructional methods or programs, in a minimum of 160 instructional days per academic term, or 80 instructional days per semester without a written excused absence will not be promoted."

contact telephone number. Student(s) will be allowed to make up missed assignments within a reasonable amount of time as established by the teacher.

HEAD LICE POLICY

To'Hajilee Community School follows the Centers for Disease Control and Prevention recommendation that "Students diagnosed with live head lice do not need to be sent home early from school; they can go home at the end of the day, be treated, and return to class after appropriate treatment has begun. Nits may persist after treatment, but successful treatment should kill crawling lice." We understand that head lice can be a nuisance but they have not been shown to spread disease. Personal hygiene or cleanliness in the home or school has nothing to do with getting head lice. This nuisance should not disrupt the educational process. Head lice are not responsible for the spread of any disease, are not a sign of uncleanliness, and do not pose a health hazard. In-school transmission is considered to be rare and when transmission occurs, it is generally found among younger-age children with increased head-to-head contact. TCS will follow its procedures to which supports the inclusion and academic achievement of students with verified cases of head lice. Its objectives are to allow the student to fully participate in all educational and school-sponsored activities.

HOMEWORK

Homework is an extension of lessons presented in class and benefits the students by providing practice and reinforcement. It can also help students develop a sense of responsibility and organization. When your child is absent from school or out for an extended period of time please call the school attendance secretary. Every student is encouraged to read for a minimum of 20 minutes each night. Homework assignments may be posted in Schoology or Google Classroom.

LAW ENFORCEMENT JURISDICTION

The Navajo police have the responsibility for upholding laws on the school campus. The Federal Bureau of Investigation, BIA law enforcement, and/or the Navajo law enforcement may investigate serious crimes on the school campus.

LOCKDOWN DRILL

Lockdown drills are a means of practicing preparedness in the event of an intruder or criminal act. Generally, an announcement is given that the building is going on an immediate lockdown. At that point, all occupants present at the time of the drill go to a room and lock all doors and windows tight. The lockdown drill is not released until the administrator alerts staff in person. Refer to the "Quick Reference Guide" and follow TCS staff instructions. Lock Down Drills will be conducted randomly throughout the school the school year.
