

Appsters Tech

PRIVACY POLICY

Firstly, we want to welcome everyone to our account, where we provide you with some dynamic apps and solve your queries through the apps. We create this account to facilitate our valued users and resolve all problems with multiple features and attributes. According to this perspective, we also care about our inestimable user information, data and user privacy. Privacy Policy is designed to help you understand what & why we gather user information or data.

Non-personal Data:

Non-personal data means information that, by itself, does not personally identify you. We may collect Non-personal data such as your device model number, operating system version, country code and other properties for purposes of managing the apps and communicating with you.

Ad serving Technology:

We may disclose Non-personal data to third parties and/or allow third parties to collect Non-personal data through their own embedded technology. In order to deliver ads to you, the third-party advertising companies may place or recognize unique cookies, anonymous identifiers or similar technology for non-personally identifiable information. We use only Admob by Google for advertisement purposes. If you would like more information, please follow the link below: [AdMob by Google - Google privacy](#)

Location Data:

Some of the apps may request your Location data for a functional purpose. We may use various technologies to determine location, such as GPS, Wi-Fi or other network-based data such as IP address. Your GPS geo-location is not accessed without your consent. We do NOT provide your Location data for advertising networks and third parties. We do not even store your data.

Personal Data:

Personal data means personally identifiable information that specifically identifies you as an individual (e.g. your name, email address). We never collect and / or store Personal data.

Third party terms and conditions:

Please note that your access to and use of the apps may be subject to certain third-party terms and conditions and privacy policies. You recognize and agree that we are not liable for any such third-party terms and conditions and any third party's

use of your Personal data. Here are links to the privacy policies of a few of the distributors we use: [Google](#) -[Google privacy](#).

Disclosure and Transfer of Personal Data:

We disclose information to respond to subpoenas, court orders and other legal processes as well as to establish/exercise our legal rights or defend against legal claims. We will share Personal data and Non-personal data in order to investigate, prevent or take action against illegal activities, suspected fraud, potential threats to the physical safety of any person, violations of our Terms of Use or as otherwise required by law.

EU User Policy:

European Union (EU) or the United Kingdom (UK) data protection law applies to the processing of your information, we provide the controls described in this policy so you can exercise your right to request access to, update, remove, delete, and restrict the processing of your information. You also have the right to object to the processing of your information. The right to access, update or delete the information we have about you. Whenever made possible, you can access, update or request deletion of your Personal Data directly within your account settings section. If you are unable to perform these actions yourself, please contact us to assist you. This also enables you to receive a copy of the Personal Data that we hold about you. We will provide you or a third party you have chosen, with your data in a structured, commonly used, machine-readable format. Please note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you. You have the right to withdraw your consent to use your data. If you withdraw your consent, we may not be able to provide you with access to certain specific functionalities of the service. You may exercise your rights of access, rectification, cancellation and opposition by contacting us. Please note that we may ask you to verify your identity before responding to such requests. If you make a request, we will try our best to respond to You as soon as possible. we process your information for things like:

- Providing, maintaining, and improving our services to meet the needs of our customer
- Developing new services and features
- Understanding how people use our services (including how they interact with our ads) to ensure and improve the performance of our products and services
- Modify our services to provide you with a better UX
- Marketing to inform users about our products and services
- Add-on advertising, which keeps many of our services free
- Detecting, preventing, or otherwise addressing fraud, impairment, security, or technical issues with our services

- Securing against harm to the rights, property or safety of us, our users, or the public as required or permitted by law, including disclosing information to government authorities
- Performing research that better our services for our customers and benefits the public
- Fulfilling obligations to our partners like developers and rights holders
- Enforcing legal claims, including investigation of potential violations of applicable Terms & conditions of services.

Changes to the Privacy Policy:

Alfadroid may, in its sole discretion, change this Privacy Policy from time to time, any and all changes will be reflected here and the date new versions are posted will be stated at the top of this Privacy Policy, so please review it periodically.
