

## **POST-ICECAP Compensation Plan Template**

You may receive up to \$200 in compensation for participation in this study. You will receive your compensation via the TruCentive electronic gift card method for the duration of study participation.

You may receive your compensation by email, SMS text message, or both.

- The TruCentive gift card option will allow you to (1) choose from a list of pre-approved businesses at which you may use the card (including Target, Amazon, Starbucks, Chipotle, etc.) **OR** (2) choose a debit card option in which you will be able to upload funds to your debit card/bank account and utilize your funds anywhere debit cards are also accepted.

Compensation is as follows:

- \$25 for completing the telephone follow-up session at 1 month after cardiac arrest
- \$50 for completing the in-person follow-up session at 3 months after cardiac arrest
- \$25 for completing the telephone follow-up session at 6 months after cardiac arrest
- \$25 for completing the telephone follow-up session at 9 months after cardiac arrest
- \$75 for completing the in-person follow-up session at 12 months after cardiac arrest
