Dear Beetdigger Nation,

With football season beginning soon, we would like to remind students and parents about the expectations for all students who attend home football games.

Elementary School Students

- Elementary students must have an adult with them to enter the game. No adult=No admittance to the game
- Students are not allowed to bring in bags or backpacks into the stadium
- **Elementary students are expected to be in the stands with an adult watching the game**

Middle School Students

- Middle school students need their school ID to enter the game for free.
- Students are not allowed to bring in bags or backpacks into the stadium
- Middle school students must sit within the "Middle School" section, unless they are sitting with their parents
- **Middle school students are expected to be in the stands watching the game**

High School Students

- High school students need their school ID to enter the game for free.
- High school students are encouraged to sit/stand in the high school student section
- Students are not allowed to bring in bags or backpacks into the stadium
- **High school students are expected to be in the stands watching the game**

All Students

- No abusive or unruly behavior
- No use of any prohibited items (artificial noisemakers, unauthorized signs, etc....)

We appreciate your help with the implementation of these expectations and rules to ensure student safety while giving our fans the opportunity to completely enjoy the game. Thank you for supporting the Beetdigger football team as they take the field against their opponents. If students are not following these rules and expectations, they will be asked to leave the stadium. Remember: IT MEANS MORE TO BE A BEETDIGGER!

Mission: Purposefully and safely engage and challenge every student, every day, in every experience.
Vision: Every graduate will be equipped to become a responsible and productive citizen.
