

School Council Meeting Agenda

School: Silverheights Public School

Date & Time: January 12, 2022, 6:00-8:00 pm

Location: Virtual Google Meet

"Parents play a vital role in the development and education of their children and in the success of schools.

They are the most important influence in a child's life outside of school.

Long after direct learning from parents in a child's early years gives way to formal education, parents continue to play a key role in student success through the attitudes they help to share and the direct supports they provide."
