## Christmas Break

Welcome back! We hope everyone had a wonderful time during the holiday break. A big thank you to all who contributed to the fantastic Christmas concerts and dinners prior to the break. Our appreciation extends to the staff, students, and families who worked together to organize these delightful celebrations.

## Inclement Weather

Given the current weather changes, we wish to emphasize WRPS's protocol for bus cancellations and school closures during adverse weather conditions and emergencies. For additional details, please click [here](#).

## Policy 10: Policy Development

The Board proposed amendments to Policy 10: Policy Development. The revised first paragraph emphasizes the Board's key role in policy development and implementation, highlighting its responsibility for adoption, revision, or deletion of policies. It also underscores the alignment of Administrative Procedures with Board Policy, with the Superintendent responsible for their adoption, revision, and deletion.

## Alberta Education Assurance (AEA) Survey

The board encourages our families to participate in the AEA Survey. This survey, targeting students in grades 4, 7, and 10 and their parents, seeks insights into thoughts, feelings, and experiences within the school. The survey administration is scheduled between January and March 2024, providing valuable information on the performance of the education system. For more information, please click [here](#).

## Important Dates

The upcoming Regular Board Meeting is scheduled for January 24, 2024, at 11:00 am. Following that, the next board meeting is set for February 7, 2024, at 11:00 am.

## Recordings of Public Board Meetings
