Copy right: This song is the property of the Village People and I just altered the lyrics for theatrical purposes

Where can you find pleasure, search worlds for treasure
Learn science technology?
Where can you begin to make your dreams all come true
On land, space or on the sea?
Where can you learn to fly ships, run for your life
Study stellar cartography?
Breaking the warp core to escape pods and soar
When your team and others meet
In Star fleet
Yes, you can go into the deep freeze
In Star fleet
Yes, you can salute and be at ease
In Star fleet
Come on people, fall in' make a stand
In Star fleet, In Star fleet
Can't you see we need a hand
In Star fleet
Come on, protect the Federation
In Star fleet
Come on and join your sentient man
In Star fleet
Come on people and make a stand
In Star fleet, In Star fleet, In Star fleet, oh
They want you, they want you
They want you as a new recruit
If you like adventure, don't you wait to enter
The recruiting office fast
Don't you hesitate, there is no need to wait
They're signing up new ensigns fast
Maybe you are too young to join up today
But don't you worry 'bout a thing
For I'm sure there will be always a good Starfleet
Protecting the stars and the free
In Star fleet
Yes, you can go into the deep freeze
In Star fleet
Yes, you can salute and be at ease
Come on people, fall in' make a stand
In Star fleet, In Star fleet
Can't you see we need a hand
In Star fleet
Come on, protect the Federation
In Star fleet

Come on and join your fellow man
In Star fleet
Come on people and make a stand
In Star fleet, In Star fleet, In Star fleet, In Star fleet
They want you, they want you
They want you as a new recruit
Who me?
They want you, they want you
They want you as a new recruit
But, but, but, I'm afraid of ion storms
Hey, hey look man
I get homesick even watchin' it on TV
They want you, they want you In Star fleet
Oh my goodness
They want you
What am I gonna do on a five-year mission?
They want you
They want you, they want you In Star fleet
In Star fleet
[Yes, you can go into the deep freeze](#)
[In Star fleet](#)
[Yes, you can salute and be at ease](#)
Come on people, fall in make a stand
In Star fleet, In Star fleet
Can't you see we need a hand
In Star fleet
Come on, protect the Federation
In Star fleet
Come on and join your sentient man
In Star fleet
Come on people and make a stand
