

Sound Sponsors Program

The Sound of Suwannee has grown steadily in recent years, and we're seeking community partnerships to support this ongoing success. While the school provides important funding, community contributions help sustain and enrich the program. These funds ensure that no student is held back by financial barriers and support costs such as competition fees, uniform maintenance, audition fees for programs like National Honor Band, and special treats for our students. Beyond music, we value community outreach through public concerts and performances for local elementary schools, helping inspire future musicians.

Together with our community and school, we strive to create an inclusive, thriving band program where every student can grow and succeed. Thank you for your sponsorship consideration.
