Dear Mrs. Werner:

Please accept this as my official retirement notification from K.P.B.S.D. and Skyview Middle School. I have been teaching for 35 years and 28 of those years have been right here at this middle school. All that to say, is that this has been a pleasure and rewarding time in my life.

I have nothing but positive feedback about my experience with the staff and students who treated me with the utmost respect and professionalism from the greatest school on the peninsula.

Sincerely

Shelli L. Church
