

Privacy Policy

Damien Stanley created and released Heart Rate Monitor: Tracker. Providing you with the best user experience is our goal. We take great care to protect your personal privacy.

- * Make it easier for you to understand what data we collect and where it is used
- * Improve mastery of personal data
- * A detailed explanation of your rights as a user

Using Terms

1.0 Heart Rate Monitor: Tracker belongs to non-medical products and not a clinical pulse oximeter , It cannot be used for medical purposes,it is intended for informational and educational purposes only. Although the measurement was more accurate by our efforts over the years and we were constantly improving it and update it to meet the requirements, it could not be used for medical purposes at that time.if knowing your pulse rate is critical to your health, you further need to have your pulse taken by a medical professional.
