

Restoring a Deleted Quiz

If a course quiz is deleted, instructors now have the ability to restore the quiz and any associated quiz attempts.

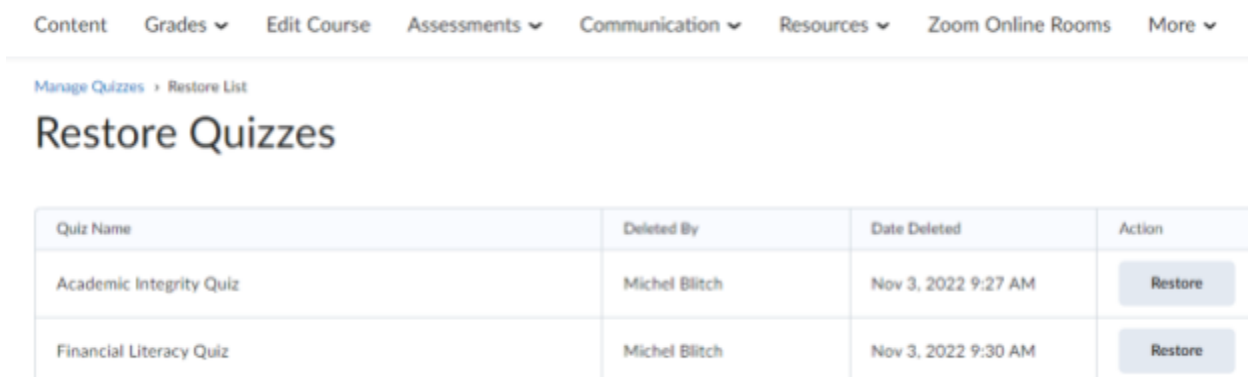

1. On the **Manage Quizzes** page, click on the drop-down arrow beside the **More Actions** button.

2. Click on the **Restore** option.

3. Any deleted quizzes will be displayed.

Restoring a Deleted Quiz

4. Click on the **Restore** button next to the quiz you would like to restore.
