Privacy Policy

In case of a refund request for an in-app purchase, we reserve the right to disclose relevant information to Apple regarding the user's purchase activity. This can include data such as the time since installation, the total time spent in the app, the anonymous account identifier, whether the in-app purchase was fully consumed, whether it included a trial period, the total amount spent, and the total amount refunded.

This Privacy Policy discloses the privacy practices for Headshot Generator - AI Editor by Baldwin Eyrich ("We"). This Privacy Policy applies solely to information collected by this app.

It will notify you of the following:
What personally identifiable information is collected from you through the app, how it is used and with whom it may be shared. What choices are available to you regarding the use of your data. The security procedures in place to protect the misuse of your information. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing.
We are the sole owners of the information collected on this app. We only have access to/collect information that you voluntarily give us via direct contact from you. We will not sell or rent this information to anyone. We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside, other than as necessary to fulfill your request, e.g. to ship an order. Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.
We do not save or distribute photos of users' faces, all photos are used for the correct operation of the application

Your Access to and Control Over Information.
You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address. See what data we have about you, if any.

Change/correct any data we have about you.
Have us delete any data we have about you. Express any concern you have about our use of your data.

Security.
We take precautions to protect your information. When you submit sensitive information via the app your information is protected both online and offline. Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information.

If you feel that we are not abiding by this privacy policy, you should contact us immediately via email at baldwineyrich@gmail.com.
