

# ORDER/REMOVE A POST INSTALL

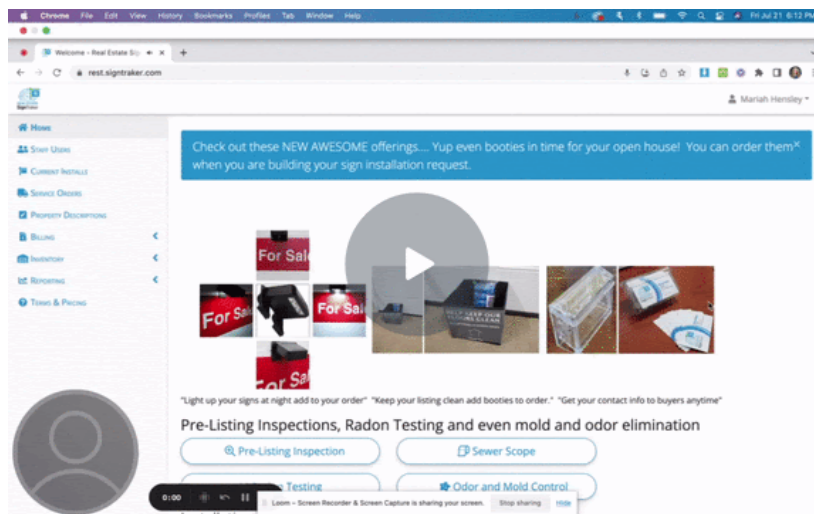

## Set Up Account

You received a Real Estate Sign Traker email shortly after onboarding. If you didn't accept the activation link and set up your account, then you need to request a new one, since the link is only good for 24 hours. Send an email to [info@userest.com](mailto:info@userest.com) and request a new activation link. Be sure to note that you're a part of Jason Martin Group.

## Navigate the Portal

After you've set up your account, you can place an order through the [portal](#). You can find a video on how to place an order and request a removal here:

\*[info@userest.com](mailto:info@userest.com) is the email address I reference in the video.
