Cookies and Tracking Technologies

The Application or its third-party SDKs may use cookies, SDKs, pixels, and similar technologies to support functionality, analytics, or service delivery. Where required by applicable law, the Service Provider will obtain consent before using non-essential tracking technologies.

Your Rights

You may request access to, correction of, or deletion of your personal data held by the Service Provider. To exercise these rights, or to withdraw consent where processing is based on consent, contact the Service Provider at blacklight.40@gmail.com.

- **Data Required for Legal Compliance:** Retained as long as required by applicable law.

You may request deletion of your personal data, subject to any legal obligations. If you want the Service Provider to delete User-Provided Data submitted through the Application, contact blacklight.40@gmail.com. Some data may be required for the Application to function properly.
