

Privacy Policy

Last updated: 20.09.2024

Tamara Gobadze ("we", "us", or "our") operates the mobile application **Digital Signature** (the "App"). This Privacy Policy describes how we collect, use, and disclose your information when you use our App.

By downloading or using the App, you agree to the collection and use of information in accordance with this Privacy Policy.

Information We Collect

We are committed to respecting your privacy and ensuring the security of your information. We do not collect any personal data from users of the App, except for information collected by **Firebase Crashlytics** for crash reporting purposes.

Firebase Crashlytics

We use Firebase Crashlytics to improve the stability and performance of the App. Firebase Crashlytics collects crash reports and certain technical data such as:

- Device state information
- Device type and operating system version
- Information regarding the event leading to the crash (log data)

This information is collected automatically when you use the App and helps us troubleshoot and resolve issues related to app crashes.

For more details on the data collected by Firebase Crashlytics, please review Google's Privacy Policy: [Firebase Privacy Policy](#).

How We Use Your Information

The information collected by Firebase Crashlytics is used solely for the purpose of identifying and fixing bugs and crashes in the App. We do not use or process any other personal information.

Sharing of Information

We do not share, sell, rent, or trade any of your personal information with third parties, except as described in this Privacy Policy and for the purposes of crash reporting through Firebase Crashlytics.

Data Security

We take the security of your information seriously. We have implemented appropriate technical and organizational measures to protect your information from unauthorized access, use, or disclosure. However, no method of transmission over the internet or method of electronic storage is completely secure, and we cannot guarantee absolute security.

Children's Privacy

Our App is not intended for use by anyone under the age of 13. We do not knowingly collect personal information from children under the age of 13. If you are a parent or guardian and become aware that your child has provided us with personal data, please contact us, and we will take steps to delete such information.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy
