5. New information from SAF

a. The new [SAF Board](#) for 2026-27 was elected on May 6. Tracey attended the meeting and reported back information. In addition, SAF sent out an email on May 7 with guidance.

b. New board members should attend an SAF training on Zoom to learn more about the [SGC agreement](#) and other rules. This is required for new bank signers. There will be two training sessions in June and more in the fall. Dates TBD.

c. We will now be able to also accept donations via Venmo, using the same QR code and link we have been using for PayPal.

6. Other items for discussion?

a. Tracey will hand off the Swim Outlet account and sales rep info to Abby, and will give her the extra swim suits the team bought to use next year.. She suggested starting the process in June or July for figuring out new water polo suits, after the Making Waves disaster this past year.. Amy suggested asking Neptunes coach for their sales rep contact at Kap7, since they seem to be very quick with the turnaround time. Michael also mentioned Elsmore in Walnut Creek.

b. Discussion of whether we should fund purchase of new water polo suits for players that need them. Feelings expressed that it is nice for new families to not have to make that financial commitment and we have a healthy balance in water polo funds. Michael moves to authorize up to \$2000 for funding a new suit

program for water polo players this season that need one. Jenny seconds.
Motion passes.

- c. Coach Greg said he expects water polo expenses to be similar to last year. He and Coach Alex would like to be able to enter a second tournament in the Delta area, so there will be an additional cost. Roundrobin style usually on one day only so might be less expensive than the Encinal. We might need new balls too. We can also apply again for Felice Fund grant again. Michael suggested that we allocate an amount. Michael moved to approve tournament funding of last years amount plus \$1,000 (=\$1900), seconded by Tracey Croom. Unanimously approved.
- d. Proposal for purchase of TimeDrops. It will be about \$1200. Tabled until Fall, Michael will get some quotes for options with and without touchpad interface.
- e. Greg will send out info on TeamSnap re season information and physicals. Amy will send info re physicals to Korematsu e-tree as well.
- f. Michael proposed Slack instead of TeamSnap for wp since it worked well for swim. Discussion about how marking availability feature on TeamSnap is very useful for wp. Decided to stick with TeamSnap. Tracey will transfer ownership and pass along info for renewal to Amy.

Meeting adjourned at: 7:59pm.
