

Stewart Pearce - Angelic Sound Medicine 2024

What You'll Discover in These 12 Weeks

In this 12-week transformational course, Stewart will guide you through the fundamental skills and competencies you'll need to empower your life energy and purpose with the cosmic chants of the Angels of Atlantis.

Module 1: Create Balance & Inner Peace as You Communicate More Effectively With the Help of Gabriel, the Divine Messenger (January 11)

As the course begins, you'll connect with Gabriel, whose presence allows you to acquire the values of the Divine Messenger. Gabriel helps balance your communication processes and reminds you to slow down and create harmony through meditation and the pursuit of inner peace.

Stewart will guide you to follow in Gabriel's footsteps to become gracious and naturally wise, and to receive life's gifts and challenges as blessings.

You'll experience blessings that flow from the wonder of the Divine, aligning you with the flow of your creative purpose.

In this module, you'll discover Gabriel's most inspiring traits, including:

- The blessed ability to communicate more **effectively and persuasively**
- An **eternally positive attitude** via your love, kindness, and gratitude
- A **joyous potential** for spontaneity, and knowledge of the Divine
- Greater **expertise in public relations** and your own gift for sacred intimacy
- A **fuller intuitive power** and the creativity of innovation

- A knowing that all of life is created by the **magic of Divine will**

Module 2: Connect With Hanael, the Sacred Warrior to Believe in Your Own Inner Strength & Willpower (January 18)

The Angel Hanael helps you reconnect with your inner strength, courage, and willpower. These qualities remind you to believe in the power of your own hope and integrity.

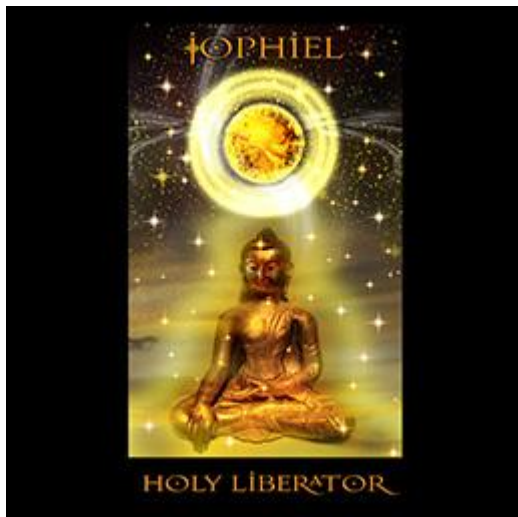

You'll learn to respond to life's challenges as opportunities for evolution as you remain flexible in all creative situations.

As Stewart will explain, Hanael will always give you the force you most need when you call upon this mighty angel to assist you.

In this module, you'll learn to acquire these values of the Sacred Warrior:

- The **ability to lead courageously** with creative initiative in any situation
- Expertise in **solving even the most emotional problems** with insight and integrity
- A healthy regard for the **energy of playfulness and ease** in the evolution of the sacred
- The ability to **remain steadfast and loyal** to self, a value, or a cause
- A belief in **willpower as a leading determinant** for success
- A **joyous regard** for the gift of spontaneity, serendipity, and synchronicity — and an understanding that all of life is **moved by the magic** of Divine will

Module 3: Set Yourself Free From Negative Emotions With Jophiel, the Holy Liberator (January 25)

The Angel Jophiel can liberate you from life's negative feelings and situations. When you stop thinking of life as a challenge to triumph over, you can then achieve unlimited love and joy that exist beyond fear.

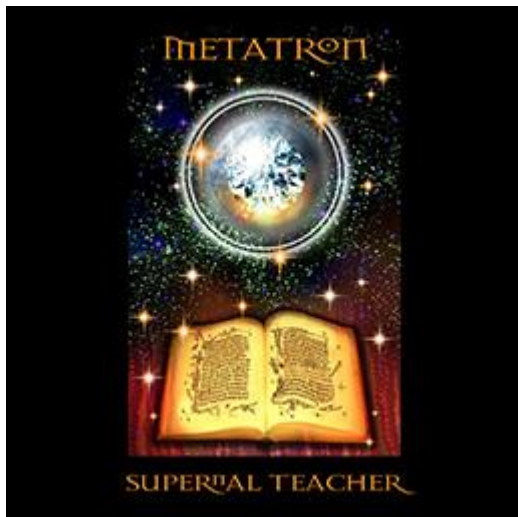

You'll see your life as the field of infinite potential that it truly is.

As Stewart will explain, Jophiel resides in the meditation of forgiveness, vulnerability, and tenderness.

In this module, you'll awaken the values of Jophiel, the Holy Liberator:

- The ability to **forgive** and let go of old patterns
- An instinct for the energy of **protecting the vulnerable**
- A joyous **ability to seek the positive** in all of life's challenges
- A caring regard for transmuting **flesh crises into spirit gains**
- The fun and **joy of playful encounters** with the Divine
- A profound recognition of **spiritual practice and discernment** through life as a meditation
- Faith as an **element of human conduct** that's ultimately transcendent

Module 4: Shift Your Perception & Call in Your Divine Intelligence to Create a More Soulful Life With Metatron, the Supernal Teacher (February 1)

Metatron, the Supernal Angel of Miracles, will show you how the merciful might of your divine intelligence brings wisdom and the wonder of miracles.

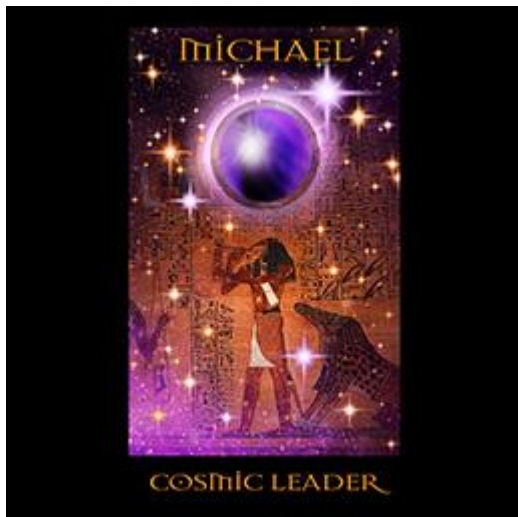

As you'll discover, this angelic force creates great shifts of perception that can transform your life into a positive, flowing, soulful direction.

Metatron can awaken your wise ability to be merciful and compassionate... your instinctive pull toward the energy of magic and intuition... and your yearning for the freedom of growth and education.

In this module, you'll acquire the traits of the Supernal Teacher:

- The **ability to believe** in the probability of the miraculous
- A tendency to **seek out the order** of divine intelligence
- The will to **discover new ideas**, new ways, and new information
- The propensity for **supporting the evolution** of people in their healing
- A **profound recognition** of meditation and spiritual practice and a **fascination for mystery** and the rituals of spiritual faith
- A profound ability to **psychically tune in to gifts** from the Divine
- An **expanded vision** of the sacred cosmology of life

Module 5: Connect With Michael, the Cosmic Leader, to Transmute Your Limiting Feelings Into a Higher Purpose (February 8)

The Angel Michael can inspire you to transmute your baser feelings into your higher calling, so you can achieve magical clarity around your leadership potential.

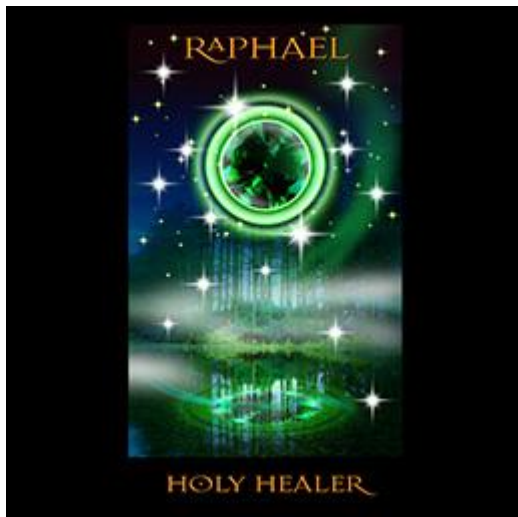

Following Michael's lead, you'll awaken your ability to believe in yourself as a major motivating force for the Divine. You'll also unlock your tendency to rely on your own personal counsel as well as God's.

You'll cultivate a deep desire for companions of similar personal might and experience — and a propensity for supporting and leading the development of others.

In this module, you'll acquire the values of the Cosmic Leader, including:

- The ability to be **patient and soulful** as you search for integrity in others
- An **instinct for the energy of magic**, intuition, initiation, and abundance
- A yearning for the **freedom of success and abundant evolution** through the *I Am Presence*
- The will to **discover new ways of being** within your divine sovereignty
- A profound ability to **embody stability and security**
- An **expansive belief** in longevity, durability, and transcendence

Module 6: Deepen Your Faith & Commune With the Divine With Raphael, the Holy Healer (February 15)

Raphael can empathetically lead you into a space of cleansing and purification.

As a result, you'll feel the power of Mother Earth coursing through your veins and neural pathways, bringing you into a finer sense of faith and communion with the Divine.

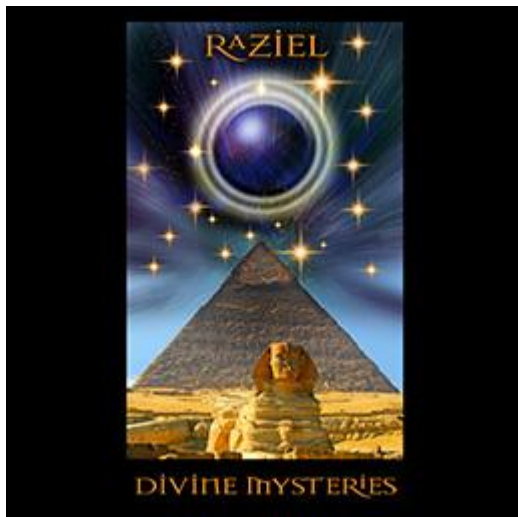

You'll learn from Raphael's deep desire to be guided by your inner sacred nature and higher self, also known as the oversoul.

You'll also develop his propensity for empathic and intuitive healing for all sentient life, an interest in the search for beauty as an emanation of the Divine, and much more.

In this module, you'll cultivate these values of Raphael, the Holy Healer:

- A belief in the **cleansing power of nature** and the miraculous healing of the human body
- The desire to **create peace and harmony** — within yourself, and with those around you
- An ability to be **measured and soulful** in search of the integrity within all sentient life
- A desire to find **purity of purpose and clarity of direction** in all things
- A **yearning for the freedom of evolution** as a natural process within the Universe
- A deep understanding of the **sacred nature of holism**, the complete inclusivity with the Universe
- An expanded comprehension about the healing that can be gained from the power of both **Gaia's force** and the cosmos

Module 7: Live in Harmony With Your Intuition & Psychic Presence With Raziel, the Angel of the Divine Mysteries (February 22)

The angel Raziel speaks through your **inner seeing and feeling**, dreams, meditations, and retreats — bringing you into harmony with your intuition and psychic presence.

As the mysteries of life open and reveal themselves, you can become aware of the richness of your own spiritual landscape.

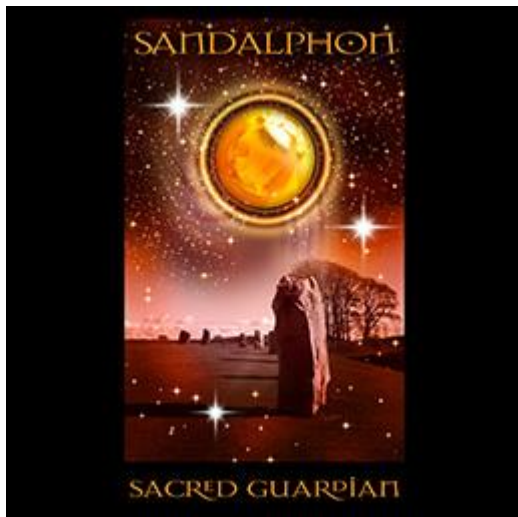

Stewart will help you cultivate a deep recognition of the intuitive, implicit sanctity of life — and a respect for the rituals that allow you to experience the grace, truth, and love of the sanctuary of your soul — as Raziel leads the way.

You'll learn from Raziel's profound belief in the mystery of love — and the desire to pulse with its force... the wish to discover the secrets of God within humanity... and much more.

In this module, you'll explore Raziel's values and bring them into your own life, including:

- A belief and faith in the wisdom of **dreams, intuition, and the supernatural**
- A **desire to retreat** so you can examine and reflect on the essence of the soul
- The ability to **contain belief, faith, and trust** as expressions of soulful love
- A conviction in the **soul's eternal evolution** through human sentience and beyond
- A yearning to **communicate and heal** the essence of your spirit
- A search for that which **upholds the vision of utmost goodness** in all things

Module 8: Foster a Deep Respect for the Earth & the Cosmos as Sandalphon, the Sacred Guardian, Leads You Through the Planetary Cycles (February 29)

Sandalphon is the sacred guardian of the planet, and of your earthly evolution.

This exquisite angel can guide you through the planetary cycles that transform you through every phase of your life.

Stewart will share Sandalphon's profound guardianship for the peace and silence of the Earth Mother... a love of tenderness and strength that flows through all human life... and a desire to discover the secrets of how and why spirit chose to be made flesh.

In this module, you'll explore these values Sandalphon holds:

- An allegiance to the power of **Mother Earth and Divine Father**
- An enduring respect for the **health and vitality of one's body** as a reflection of the Earth and the Cosmos
- A love and honoring of **Earth and the other planets**, as principles of eternity
- An upholding of the notion of **honesty and co-creativity**
- A deep **recognition for the sanctity of life** in the evolution of all animate forms
- A diligent regard for the **cycles of the planet**, in relation to the Moon and Sun
- An ability to **constantly release the old** in favor of new creativity

Module 9: Leave Behind Anxiety & Embrace New Beginnings With Shamael, the Divine Guide (March 7)

Shamael will show you how **new beginnings can bring a sense of wonder** to your life — and how you can lessen the anxiety that often precedes change, bringing in a sense of serenity instead.

You'll learn from Shamael's dedication to upholding the **notions of truth, goodness, kindness, and care**... deep recognition of the **sacredness of life**... and intense regard for the **power and vibration of love** that transcends every part of life.

In this module, you'll explore these values Shamael holds, including:

- An attachment to the **truth and simplicity of love**
- A profound respect for the **health and vitality of the body** as a reflection of the Earth and the Cosmos — and the soul as part of the Divine in human form
- A profound awareness of how the **subtleties of nature** are governed by peace
- The ability to **stretch your consciousness** by surrendering all aspects of personal gain, removing the ego
- **Developing the natural senses and intuition** as beacons of light and guidance across the terrain of life
- Prioritizing the eternal **jewels of love and joy**

Module 10: Transform Your Difficult Relationships With Inspiration From Uriel, the Eternal Companion (March 14)

Uriel can teach you how even your most challenging relationship issues can lead to abundant freedom — through the intentional development of belief, faith, and trust.

You'll stretch your consciousness by surrendering personal ambition in the face of collective aspiration. You'll realize that within loving relationships there is no blame, only insight.

You'll also contemplate the beauty in all things that establish the divine order throughout creation.

In this module, you'll connect with Uriel's deepest values, including:

- A respect for the **healing, harmony, and happiness** of yourself and others
- An honoring of feeling as the **language of the soul**
- A total belief in the **abundance and freedom** of the Universe
- An upholding of the virtues of **honor, trust, and the sacredness of companionship**
- Belief in the **right of freedom for all** and a connection to co-creativity
- A **profound awareness** of how love permeates the inner folds of creation

Module 11: Turn to Zadkiel, the Divine Comforter, to Feel Secure in Your Spirituality No Matter What Life Brings (March 21)

Zadkiel can help you stand firmly in the security of your spirituality, particularly when you're challenged by life's difficulties.

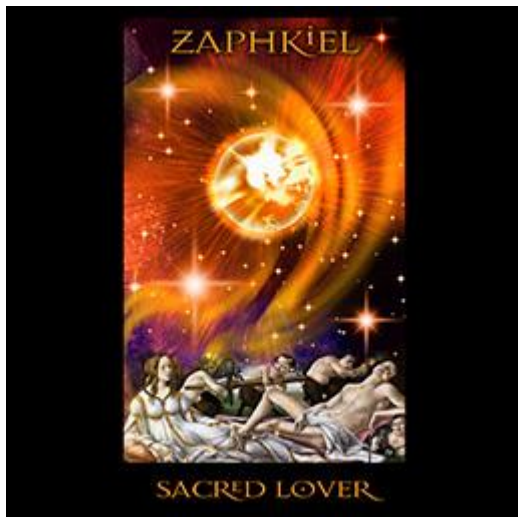

You'll discover that gratitude is one of Zadkiel's constant promptings. He's the giver of solace, comfort, and peace, and recognizes the wellspring of infinity.

Stewart will introduce you to Zadkiel's perspective that the Moon provides magnetic love while Earth brings us pure magic.

In this session, you'll learn from Zadkiel's:

- Passion for **nurturing and comforting** those who are suffering
- Respect for the **healing arts** and the creation of divine harmony
- Utter belief in the **sacred force of Mother Nature** as an element of the Divine
- A **profound awareness** that love is all there is
- **Constant yielding and gratitude** to the powerful guidance of the Divine Mother
- **Veneration of the eternal jewels** of comfort, nurturance, and security
- The **loyal meditation over the principles** of Isis as the Divine Mother, and the evocation of her harvesting nature

Module 12: Surrender to Life's Romance & Wonder With Zaphkiel, the Sacred Lover (March 28)

As this journey comes to a close, Zaphkiel will initiate you into the great compassion of Source — leading you to untold ecstasy concerning the wonder of surrendering to the romance of life, which helps you define your ideals of loving.

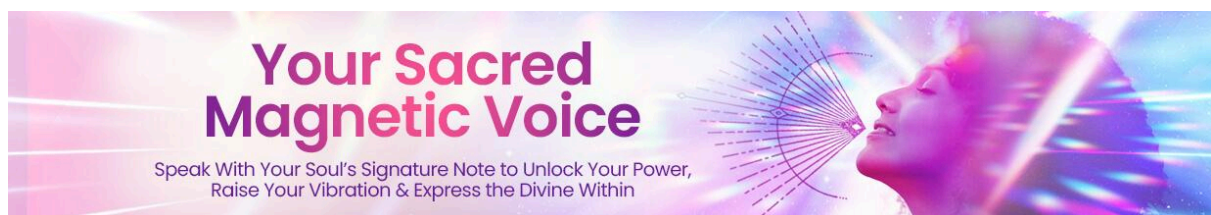

You'll contemplate the surrendering nature of universal divine will — and the profound rituals that allow us to dedicate our lives to the ecstasy of Source.

Stewart will guide you to reflect on how the laws of the universe support and foster sacred love — and your ability to stretch your soul to encompass the possibilities of all dimensions existing within the galaxy.

In this final module, you'll emulate Zaphkiel as you:

- Allow love to **enfold each moment** of your life
- Harness the power of creativity and passion to **open a pathway of pleasure and play**, that is in turn dedicated to the Divine
- Understand how the galaxy, rich with infinite creativity, may be venerated as sacred and blessed
- Respect how the **Moon and Sun provide you with powerful evocations** of how the male and female principles can be balanced, then equalized
- Become a **giver of sacred love** that recognizes the wellspring of infinity, by co-creating with the Divine
- A veneration of the eternal jewels of **love and compassion** for the betterment of all
- A **loyal meditation on the principles of love** as the evocation of divine splendor

Your Sacred Magnetic Voice Introductory Course Is Included!

This intensive builds upon the core teachings from the 7-module program, *Your Sacred Magnetic Voice*. When you purchase the 12-module intensive, you gain access to this powerful resource as well! You can complete the core teachings at your leisure, but it's best to begin before the new sessions start.

In this 7-module introductory program, immerse yourself in the harmonics of sacred chanting, while centering your signature note within your heart chakra, connecting to higher realms, and healing energetic imbalances. In seven sessions, you'll learn to speak from the unique sound of your soul.

Each session builds harmoniously upon the previous ones, so you'll develop a complete, holistic understanding of the practices, tools, and principles you'll need to clear the blockages that hold back your true expression and open to the sacred power of your voice — inspiring others with the purpose, gravity, and authentic truth of your being.

Module 1: Awakening — Find Your Signature Note to Create Internal Harmony & Balance & Experience Unification With Source

Module 2: Initiation — Discover Your “I Am” Presence to Connect to Your Spirit Guides & Discover Your Divine Purpose

Module 3: The 3 Passages of Grace — Embody Divine Virtues to Amplify the Healing Balm of Your Life Purpose, Significance & Sanctity

Module 4: The Unstruck Note — Open Your Heart Chakra as a Gateway to Transcendence to Heal Neuroses & Move From the Love of Power to the Power of Love

Module 5: Wings of Light — Release the Past to Allow Light to Pour Through You & Connect With Unity Consciousness

Module 6: The Violet Flame — Transmute Negative Karma to Become an Ambassador of Divine Compassion & Empathy

Mandalas of the Angelic Light Codes

PDF Guide From Stewart Pearce

The geometric configuration of the **Mandala is a spiritual tool that provides a connection with the light codes** emanating from the heart of each angel. You'll learn more about these codes — which offer clarity and remembrance of distinct human virtues that stabilize humans at times of flux — in these two PDFs. The codes provide unique divine guidance, uplifting you and establishing a refined, sacred sanctuary as an aide to your meditation practice — moving you from outer to inner awareness.

Introduction to the Angels of Atlantis Oracle

Video Teaching From Stewart Pearce

The Angels of Atlantis first appeared to their emissary Stewart in 1987 — beginning years of spiritual preparation, two oracles, and a series of profound teachings. This 35-minute video introduces you to the first oracle's background, inspiration, and divine revelations. The oracle is a direct way to receive wisdom from the angels to alleviate any challenge, feel closer to the Divine, and instill inspiration and courage for the next step in the evolution of your creative purpose.
