

# PRAYER CAPTAIN

---

## Purpose

---

The Intercessor Captain and their Intercessor Team is to keep the LEAP and participants in prayer, tearing down strongholds, uncompromising, bridging the LEAP.

## Way of Being

---

In constant prayer, committed to standing in the LEAP for the team, the Trainer and the participants through repentance, prayer and reformation.

## Commitments

---

Beyond the arena of character, you will be asked to commit to the following:

1. Attend all team meetings and the Intro to Transformation Workshop and Info Call(s).
2. Be prepared for all meetings and the Training, including any homework and paperwork.
3. Participate in weekly team coaching calls.
4. Enroll other individuals to the team.
5. Enroll and register participants to the LEAP Training.
6. Make support calls.
7. Pray regularly for the team, the Trainers, the participants, and the Training.
8. Develop a prayer team through the team and training process and create a venue for communication both ways.
9. Be a witness.
10. Create value for the team.
11. Do what it takes to accomplish the vision.

Consider LEAP like a “part-time” job, in a sense, knowing that you will need to set aside other priorities in this season to make LEAP an important part of your daily life.

## Mechanics

---

### A. Before the LEAP:

1. Ask the Sponsor or Coach who you can call who has previously been the Prayer Captain (even from LEAP trainings were elsewhere) to ground on details of this job.
2. Pray for each participant and their family individually. Pray for the location, Trainer, team members and families.
3. Pray for the participants coming, and also for those the team is in conversations with throughout the team process. Concentrated prayer for the Trainer, their family, for the team and their families.

4. Be in the Word. Read and/or review preparatory books such as: The Three Battlegrounds by Francis Frangipane, Fire on the Horizon by Winkey Pratney, Finding the Heart's True Home by Richard Foster, Prayers That Avail Much Volumes 1 and 2 by Word Ministries, Possessing the Gates of the Enemy by Cindy Jacobs or the *Transformations* video.
5. Go to the facility pray over the grounds, chairs and rooms.
6. Create a prayer team to be praying together with you during the team process, as well as during the training. Find a way to communicate regular communication and updates, as well as inviting responses from the team on what themes/scriptures/words they are getting as they pray.

#### During the Training:

1. On the morning of Day One, go around the room and pray for the release of God's anointing and Holy Spirit. Lay hands on each chair in the room.
2. Each morning you should make an opportunity for praise, worship, and prayer making sure you are clear before God and each other. Coordinate with the Team Captain to have a designated time for this each morning of the training before the Trainer grounds the team (all necessary tasks for the day and set-up needs to be completely done and the prayer time made a priority).
3. Pray incessantly. Be constantly focused on what is happening in the room. Pray for breakthroughs and bring down strongholds.
4. Intercessors must be focused on others. All outside cares and concerns are to be laid aside for the length of the LEAP.
7. Communicate consistently with your prayer team throughout the training process about themes to be praying for, and let them know to also share with you the themes/scriptures/words they are getting as they pray, and share those with the Trainer(s) and team.

*\*\*\*DO NOT communicate anything to anyone outside the room involving names or any specific details that would break your commit to participant confidentiality.*
