Scope of Research (18pt)

Content of the study: (14pt)

Population and Sample:
(14pt)

Area: (14pt)

Time: (14pt)

Literature Review (18pt)

The authors should describe the findings of relevant documents, articles, and research papers to demonstrate the "knowledge gap" that has not yet been considered. This research can fill that knowledge gap. Literature reviews must be fully referenced. It should also be analyzed and systematized the relationship of those literatures.

1.
2.
3.

Summary of the literature review to show that the authors took the theory/How are the concepts reviewed for use in research, in what areas?

.....
