Dear friends,

Here are some suggested news sources and books for learning more about Israel -about the Hamas/Israel war, about the judicial overhaul controversy, and about Israel issues generally.

If you have suggestions for inclusion in this list, please send the links to me at rabbi@hobokensynagogue.org.

with prayers for safety, security, well-being, and peace,
Rabbi Rob Scheinberg

Books about Israel and the Israeli-Palestinian conflict:

I am not listing books here that solely exemplify the Palestinian narrative, mostly because I don't feel qualified to suggest which are the best. The books below take a variety of perspectives on the history of Israel and the Israeli-Palestinian conflict.

A book that, as far as I can tell, does a responsible job describing both the Israeli and Palestinian narratives is Dov Waxman, [The Israeli-Palestinian Conflict: What Everyone Needs to Know](#)

Center-left Israeli perspectives:

[Can We Talk About Israel?: A Guide for the Curious, Confused, and Conflicted, by Daniel Sokatch](#)

[Letters to My Palestinian Neighbor, by Yossi Klein Halevi](#)

Center / center-right Israeli perspectives:

[Israel: A Concise History of a Nation Reborn, by Daniel Gordis](#)

[Israel: A Simple Guide to the Most Misunderstood Country on Earth -by Noa Tishby](#)

Podcasts about Israel:

(All these podcasts have extensive episodes about the current conflict.)

[The Promised Podcast](#) - left-leaning podcast about Israeli politics and society

[For Heaven's Sake Podcast - Shalom Hartman Institute](#) podcast about Israeli politics and society, produced by the Shalom Hartman Institute

[The Daily Briefing | The Times of Israel](#) -- daily roundup of Israeli news

[Israel Story](#) -- Israeli story-telling podcast in English, modeled after *This American Life*. Lately, Israel Story has been doing interviews with various Israelis about the impact of the war

Video series:

<https://jewishunpacked.com/> produces numerous videos about Israel's history, society and politics, from (what I would define as) a center-right perspective.
