

Board Meeting Minutes 06/17/10

posted Dec 4, 2010 8:33 AM by Chris Duffy

The meeting was called to order by Chair Chris Duffy. Other officers present: Vice-Chair AlexSandra, Secretary Sharon Parker, Treasurer Arlene Holmes and Board Members Janet Arenz and Sandi Meyer.

1) Saratoga Street Garden - the neighbors on N. Saratoga decided to take over a blighted street and now have planted a garden, but they are still having problems with vandals and vehicles. A representative who has spearheaded establishing the garden requested support from the neighborhood. It was moved, seconded and passed to give support as needed to keep the street as a garden.

2) Sunday Parkways - Discussed having a sign-up sheet for the newsletter and what to give out for treats or prizes.

3) Newsletter - Sheila has decided not to do the newsletter any more so AlexSandra will ask Tim McLaughlin if he will be willing to take over as editor. Chris might also have someone else who would be interested.

4) Treasurer's Report - Arlene reported that we have \$1,146.59 in the account and that we spent \$1,533.90 last year. ALNA will again receive \$1,400 from the Office of Neighborhood Involvement for communication purposes.

Arlene was also concerned where to post the newsletter since the kiosk in the park has been vandalized. It was decided that we wouldn't use it for awhile.

5) Budget - Chris asked for new ideas regarding spending the communication' monies.

6) Activities in Arbor Lodge Park - Chris suggested that we sponsor an activity in the park during the week of "National Night Out" - maybe on a Saturday afternoon. We could serve burgers and beverages and ask for \$1 donations.
