

Job Shadow Preparation

Name of Business _____ Individual _____

Location _____ Phone _____

Pre-Job Shadow Preparation

1. What profession does the company represent?
2. What do YOU think are some of the responsibilities of someone in this profession?
3. Develop three questions to use during your job shadow.

During the Job Shadow

Answer the following questions related to your job shadow. If more than one career option is presented, choose the one in which you were most interested.

1. What is the purpose of your job shadow?
2. What career(s) does the job shadow represent?
3. What are the responsibilities of someone in this career?
4. What education path (vocational, college, etc) is needed for this career?
5. Are there any special certifications, physical requirements, etc., needed for this career?
6. What is the average salary of someone in this career field?

7. Does it appear that there are any negatives to this career?

8. What is the work environment like?

9. What are the job market projections for this field?

Post Job Shadow Reflection

Answer the following questions related to your job shadow. If more than one career option was presented, choose the one in which you were most interested. If any of the following questions were not discussed, use the Internet to find the answer

1. What aspects of the job shadow appealed to you?

2. Is the education/training pathway one you would be willing to take? Why or why not?

3. Would you be satisfied with the salary and working conditions related to this career? Why or why not?

4. Do you think this is a career you would be good at? Why or why not?

5. Summarize your job shadow experience.
