

To purchase advance tickets (choose your own reserved seat) for Christmas Theater on Friday, December 17th, please follow these steps:

1) Open [the seating chart](#) and choose where you would like to sit. Seats that are shaded red are sold; seats that are white are available. Please make a first choice and a second choice when selecting seats in case someone beats you to your first preference. This is a live document and will be updated as tickets are purchased.

2) Send Leigh Anne an email (leighanne879@gmail.com) with the following information: total number of seats you would like to purchase, 1st preference seat choices, 2nd preference seat choices, and a name for each seat.

3) Pay for your tickets by noon on Friday. You can send cash/check to school with your student, stop by the band office, or pay with PayPal from our website, <http://www.sssband.org/paypal-payments.html>. Tickets are \$10 each; if you choose to pay online, please add \$0.50 per ticket to cover PayPal fees. Tickets not paid for by noon on Friday will be released and not reserved.

Once we receive your payment, we will send your tickets home with your student. You will need to present your ticket at the door on Friday night to be admitted. The seats you choose will be reserved for you and labeled with your names.

If you have any questions, please let us know!!

The show starts at 7 pm; limited tickets will also be available at the door (depending on how many we sell in advance). Ticket sales come to the band, not the school, so they cannot be paid for through K12 Payment Center.

Note that, per the Johnston County School Board, face coverings are required.
