

[Insert DATE]

Dear Parent of a Preschool Student,

Our preschool program is committed to supporting you and your child during the transition from preschool to kindergarten. We know that the transition process is an important time in your child's life, and we want to make sure we provide your family with information that will ease this process.

Through county-wide support from the Stark County Transition Skills Summary Collaborative Project our preschool program will either:

(a) be working with your child's receiving kindergarten teacher to ensure they are ready to support your child's next school year; **OR**

(b) be working with your child's preschool classroom teacher to ensure they are ready to support your child at their current age and level while they are in our center.

As part of the process, our preschool team will provide a summary of your child's development and skills acquired during their preschool experience to provide information that will continue to support your child's progress.

Your child's kindergarten program or preschool classroom will receive an online copy of the Stark County Transition Skills Summary Sheet through the support of our county-wide collaborative team working with preschool programs. Your child's preschool teacher will also provide you with a copy of the summary sheet as well.

Please complete and return the bottom portion of this letter to your child's teacher by [Insert DATE].

If you have any questions or concerns you may contact your child's preschool teacher or [Insert ORGANIZATION/PRESCHOOL NAME]

I give permission for the Stark County Transition Skills Summary Sheet to be shared with my child's receiving kindergarten program and/or preschool classroom. My child will attend kindergarten at the following school district(s)/private school(s) (you can check more than one school district if you are unsure where your child will attend kindergarten):
