The abstract should be written in English and should be ONE-page long. Use A4 page set-up and make all margins (top, bottom, left, right) 20 mm wide. Start typing text about 7 cm from the top of the page. Use 11pt Times New Roman font (except for the title which should be in 14pt bold and in sentence case). Centre the title, the authors' names, the addresses and contact email address. Underline the presenting author. Please compose a title that clearly and succinctly describes the content of your work, in order to maximise its impact.

Justify the body of the text both left and right. Do not use page numbers. Graphics, including tables, must be located at the end of the abstract, just before Acknowledgements as it is represented for Figure 1. Graphics, including tables and equation, must have self-referring captions.

References should be made in the style [1] together with [2-4]. Examples of references are shown below. Leave a blank line above the list of references, and also above the Acknowledgements.

The abstracts will be reviewed by the members of the Scientific Committee of SILS Conference 2024. Accepted abstracts will be placed on the conference website and provided to conference attendees.

The abstract should be submitted in **PDF and DOCX format as Name_Surname.pdf and Name_Surname.docx** through the [Abstract Submission Platform](#). The deadline for abstract submission is **May 30, 2024**.
