Elementary All-State Choir Information Packet

OMEA: Oregon Music Education Association

The Oregon Music Education Association is the state affiliate of the National Association for Music Education (NAfME). We are a non-profit organization whose mission is to promote excellence in music education and serve the professional needs of its members. All-State has been an annual event in Oregon for more than 60 years. Providing thousands of students an opportunity to gain confidence with their instrument, meet other musicians their age from around the state, and make lifelong memories.

What is OMEA All-State?

All-State is an honor music ensemble program run by OMEA. This is an extremely rewarding experience for students to gather with fellow motivated student musicians from around Oregon and have the privilege to rehearse and perform with renowned guest conductors.

In order to apply for a spot in our All-State Elementary Choir, singers must be nominated by their music teacher through OpusEvent.com. If selected, families and the students' teacher will be notified via the OMEA website, and families or schools can complete the registration and payment process online by the November deadline.

After the registration process is complete, folders with sheet music and more information regarding the rehearsals and the performance are shared with the students' music teacher before winter break. Students are expected to learn their music on their own in advance of the event. Families are invited to come watch them perform.

APPLICATION and PLACEMENT INFORMATION

How to Apply for Elementary All-State Choir

While middle school and high school students must audition for All State, students in elementary school must be nominated by their music teacher. Each elementary school may nominate **up to 10 singers**, with a $7 per student nomination fee. Singers are nominated based on their music achievement and positive character in their elementary music classroom. The number of students selected to participate is dependent upon how many other schools nominate students.

Students and parents/guardians will fill out and sign the All-State application at the end of this document and turn it in to their teacher**.**

Teachers must be current members of NAfME/OMEA to submit nominations through OpusEvent.com.

When do we find out which students are selected?

Teachers and families are notified of the results on October 21st via the email address entered into OpusEvent.com. **Teachers, be sure to carefully type in parent/guardian emails, if there is anything incorrect about the email address, it will not be sent.** Examples: extra space in front of or at the end of an email address, missing periods, etc.

OpusEvent.com Troubleshooting

I don't see a "Submit" button - How do I know my students' application/audition is submitted and complete?

- Once all student information has been entered and their recording files uploaded, you will see "Complete" in green next to their name. (if your browser window is small/not full screen, you may need to enlarge your window to see the "Complete" on the far right of the screen)

I just renewed my NAfME/OMEA membership, how soon will it connect with OpusEvent?

- Opus and NAfME can "speak" in real time - but - you need to tell Opus to "talk" with the NAfME site to refresh your membership renewal in OpusEvent.
- Go to your account profile in Opus (top right corner of the site) Scroll down to the "Membership Information" portion of your account profile and click on the Edit Pencil to update your membership expiration date.

When I log into OpusEvent.com, I don't see the Oregon All-State event option.

- Go to your account profile in Opus (top right corner of the site) and check that your NAfME membership is current. (Opus does not automatically update your NAfME renewal - you must do this yearly/manually)
- Scroll down to the "Membership Information portion of your account profile and click on the “Edit Pencil” to update your membership expiration date.
