**For all responses:** Just in case you're not familiar with Lorenza Wilkins, Lorenza is running for North Carolina State House. His campaign has been identified *as one of the most important ones in the state* and is crucial to breaking the Republican supermajority.

If we flip this seat, we'll be able to sustain Josh Stein's veto once he's elected Governor. Lorenza is the chief operating officer of people and culture for the Inter-Faith Food Shuttle which helps fight food insecurity.

He is also a very strong defender of Public Education, Reproductive Freedom, mental health care, and Small Businesses and plans to make them a focus once he's in office. *Lorenza Wilkins is the epitome of a servant leader.*
