TCWO Ball Machine Rental Waiver, Information, and Rules

Important Steps

- Place the ball machine on the baseline center court.
- Main power switch is located at the bottom of the machine, under the control panel.
- Hold the power button down, located on the top left side of the control panel for 3 seconds to power on.
- The machine will automatically calibrate, the screen will inform you when it is ready to be programmed
- Use the 'Test' button to align the machine for proper ball placement on the court.
- To use the remote control, hold the remote button down for 3 seconds on the machine's control panel.
- To turn the machine off, hold the power button down on the main control panel for 3 seconds.

Settings

- **Drills:** 12 different pre-programmed sequences that mimic opponent play.
- **Program:** Press to create customized drills.
- **Manual:** Machine will continuously throw a certain shot to a specific location.
- **Menu Buttons:** Used to scroll through the menu options to be selected and adjusted. A cursor on the LCD will highlight the current selection.
- **Settings:** Used to adjust a highlighted option on the LCD screen.
- **1-18 Numbered Buttons:** Used to select the desired position for the ball to land in program mode. (More detailed information can be found in the program section.)
- **Play/Pause:** Press to play and pause the machine.
- **Random:** Random throws using variations of speed, spin and trajectory.
- **2-Line:** Alternating forehand and backhand shots, with varying degrees of difficulty.
- **Sweep:** Throw balls randomly across the WIDTH (left-right) of the court.
- **Depth:** Throws balls randomly the LENGTH of court, from short to deep in one row.

Rules

- Before turning the machine ON, ensure court is clear and no-one is standing in front of machine
- Do not look down or stand in front of shot selector while machine is in operation
- Turn machine OFF before reloading or, if you have trouble with machine
- ONLY place tennis balls in the machine's bucket to prevent serious damage
- Do not use 'wet' tennis balls since this may cause damage to machine
- The use of side netting is required when using the ball machine, to prevent balls from entering adjacent courts

Release of Liability and Waiver of Claims

Understanding this risk, I agree for myself, heirs, executors, administrators, and assigns do release and forever discharge Tennis Centre West Ottawa or their directors, officers, employees, servants or agents (including contractors) and all other participants of any and all claims, demands, damages, costs, expenses, actions or causes of action whether in law or equity in respect of injury, illness, permanent disabliity, loss or damage to person or property however caused, resulting from use of the ball machine or TCWO activities of any kind.

In addition, I agree to hold harmless and indemnify TCWO, or their directors, officers, employees, servants or agents (including contractors) and all other activity participants from any and all claims or liability for any damage to property of, or personal injury to, any third party, due to or associated with the ball machine or TCWO activties of any kind.

I am responsible for any injury, damage to, or loss of property while using any ball machine at TCWO. I have read the Rules listed above and agree to follow these Rules. Failure to do so, may result in the privilege (use of ball machine) being taken away.

By signing below, I recognize that I have read, understood and agree to the terms for rental and use of TCWO's ball machine, and Release of Liability and Waiver of Claims, as stated in the **TCWO Ball Machine Rental Waiver, Information, and Rules.**
