## **BACK TO SCHOOL NIGHT** **Ramona Middle School** **Tuesday, August 20, 2024**

Our annual Back-To-School Night will take place this Tuesday starting at 5:30pm. The event will be on campus at Ramona, and we look forward to seeing you.

The evening begins with a general session at 5:30pm where you will hear from Mr. Ellis, our principal, and from our PTA.

Then starting at 6:00, we will have 10-minute sessions for each instructional period. You will get a chance to meet your child's teacher during each period. They will give a brief overview of who they are and how their class will be structured. As these are short sessions, there will not be an opportunity for student specific questions during Back-To-School Night, but you will learn how to best contact your teacher when questions arise.

On the 2nd page of this document, you will find a map for our school. You may wish to have your Viking write down their schedule so you know exactly where to go. And don't worry if you aren't sure where a classroom is; there will be students on campus to help direct you to classes during passing periods.

The schedule for the Back-To-School Night class periods is below:
