Phone Call Script:

Introduction:

Hello, my name is [Your Name], and I’m a constituent from [Your City/Town/District]. I’m calling to express my strong opposition to House Bill 1531, which is now in the Senate.

Key Points:

- **HB 1531 is an extreme anti-immigrant bill.** It forces local governments to act as immigration enforcement, requiring them to comply with ICE detainer requests or face legal action.
- **This bill undermines trust in our communities.** When local agencies are forced to act as federal immigration agents, it discourages victims and witnesses from reporting crimes, making all Hoosiers less safe.
- **HB 1531 places unnecessary financial burdens on local governments and taxpayers.** Similar policies have cost counties millions in other states. Who is going to pay for this?

Closing:

I urge Senator [Senator’s Name] to oppose HB 1531 and stand with Hoosier families, businesses, and educators who will be directly impacted by this harmful bill. Thank you for your time.

Optional: Can you tell me where [Senator’s Name] stands on this bill?)

Subject: Urgent: Oppose HB 1393

Dear Senator [Senator’s Name],

My name is [Your Name], and I am a resident of [Your City/Town/District]. I am writing to express my strong opposition to House Bill 1531, an extreme anti-immigrant bill that is now in the Senate.

HB 1531 forces local governments to comply with ICE detainer requests, removes accountability for government agencies engaging in immigration enforcement, and imposes burdensome reporting requirements on employers, and parole sponsors. These policies do not make Indiana safer—instead, they promote fear, racial profiling, and unnecessary financial burdens on our communities.

Policies like this undermine trust in law enforcement, discourage victims from seeking help, and place costly unfunded mandates on local governments. Similar programs in other states have cost taxpayers millions—who will pay for this in Indiana?

I urge you to oppose HB 1531 and stand with the families, educators, and business leaders who will be harmed by this legislation.

Thank you for your time, and I hope to see you stand against this harmful bill.

Sincerely,
