

*[A box of Chunky Puffs is sitting in a cupboard. On the cover, it says "Free Prize!"]*

**Ed:** *[grabbing it]* "Yum yum yum!"

**Edd and Eddy:** "Chunky Puffs!"

**Eddy:** *[grabbing the box]* "Ooh, a prize."

**Ed:** "What is it?" *[He takes the box]* "Low in fat. Cool!"

**Eddy:** "Don't wreck your brain, Ed." *[He steals the box back and rummages through it]* "You gotta know where to look!" *[He looks at Daniel as Daniel eating some Cocoa Puffs]* "Come on, Daniel. Eat some Chunky Puffs with us!"

**Daniel:** "No thanks, Eddy. I love my chocolate puffs better. They turn your milk into chocolate just like in the [commercials](#). I am also cuckoo for it!"

**Ed:** *[leaping on Eddy]* "Give me my fat!" *[looking through the box, he pulls out Eddy]* "Oh, look! No fat, but I got an Eddy prize!"

**Eddy:** "Yeah? Well, I got the SUPER STUFFED MARSHMALLOW SURPRISE!" *[He pulls the prize out and stuffs it in Ed's mouth as Daniel is wide eye now from that large marshmallow]*

**Edd:** *[taking the box from Ed]* "You should chew your food, Ed."

**Eddy:** "Any time you feel like letting me go there, Lumpy, I'd really—" *[Ed drops him]*

---

*[The Eds are at the kitchen table]*

**Edd:** "Allow me to pour your milk?"

**Eddy:** "I love Chunky Puffs!"

*[The milk comes out as a big glob. It has clearly expired]*

**Eddy:** "I hate chunky milk."

**Daniel:** "I know where we can get some fresh milk!"

---

*[The Eds are looking over the fence at Rolf's backyard. Ed has a bucket with him]*

**Eddy:** "Are you sure about this, Daniel?"

**Daniel:** "Of course, I've seen Rolf do it before and even let me try it. It's easy."

*[The Eds and Daniel enter the shed. Inside is Rolf's cow]*

**Edd:** "I'm not sure this is legal."

**Eddy:** "Sure it is! Cows are public property. Like trees. So, how's it working?"

**Ed:** "Uh, Rolf did some stuff and milk came out."

**Eddy:** *[wiggling the cow's tail]* "How hard can it be?" *[Ed sticks his head in one of the cow's nostrils]* "Any milk yet, Ed?"

**Ed:** "Milk? Uh, not yet, Eddy."

**Cow:** "MROO."

**Ed:** *[with his head in the cow's nostril]* "AAAAHHH!"

**Eddy:** "AAAH! It said something!"

**Daniel:** "Your techniques are wrong, Eddy. To extract milk from a cow, you must use its udder."

*[He points at the udders]*

**Edd:** "Excellent, Daniel."

**Eddy:** *[after a long pause]* "I ain't touching that."

**Ed:** "You first, Double D."

**Edd:** "Oh, look, my shoe's untied." *[He bends over and leaves]*

**Ed:** "Mine too!" *[He exits similarly, sticking one of his feet in the air]*

**Daniel:** "Cowards! I will get you milk myself, Ed-boys!"

---

*[The Eds are on a log in the Lane, eating cereal with fresh milk as Daniel is playing with the cast of the episode]*

**Edd:** "Gracious Ed, don't you have any manners?" *[He plucks one Puff from the box and eats it]*  
"May I have another?" *[A [rainbow football](#) hits him on the side of the head, knocking him off the log]*

**Kevin:** "C'mon, double dork, throw it over!"

**Edd:** "Certainly, Kevin. Here it comes!" *[He throws it up in the air. It comes down and ends up in approximately its initial position]* "Huh?" *[He attempts to roll it but it doesn't go far]*

**Kevin:** *[laughing]* "You throw like a two-year-old."

**Rolf:** "Ya and two-year-olds are not good at stuffing sausages!" *[They both laugh]*

**Edd:** *[humbled]* "Well um...my skills aren't uh—"

**Daniel:** "Don't worry, Double D. I can't throw for crap." *[He throws the football at Kevin pretty good]* "That was a fluke okay?"

**Eddy:** "Double D will show you!"

**Kevin:** "Show me what, his butterfly collection?"

**Rolf:** "Ya and butterflies cannot stuff sausages either!"

**Kevin:** *[walking away with Rolf]* "Stop with the sausage stuff, Rolf, you're killing me!"

**Rolf:** *[in the distance]* "You crazy?"

**Kevin:** "Ha!"

**Eddy:** *[to Edd]* "Don't let him get away with that!"

**Edd:** "But I do have quite an extensive collection of butterflies—"

**Eddy:** "Of course you do. We need to help you with your confidence, Double D."

*[The cast is playing in the lane as Ed carries a bunch of homemade exercise equipment outside, Eddy and Edd in tow]*

**Eddy:** "Where ya going, Double D? The punching sock awaits." *[He turns Edd towards the sock]*  
"Let's see what's in those puny, skinny sticks you call arms."

**Edd:** "I'm not comfortable with this, Eddy."

**Eddy:** "Go on! Whack it!"

**Edd:** "Morphed or no."

**Eddy:** "Nah you don't need to morph to take this sock, Sockhead."

*[Edd takes a jab at it. He hits it, and his arm crumples. His hand immediately swells up in pain. The sock, on the other hand, does not move one inch]*

**Edd:** "GAHOH!" *[to Eddy]* "Eddy, training is painful."

**Eddy:** "You're just starting to feel the burn, Double D!"

**Kevin:** *[appearing behind them]* "Yeah, you better get some ointment, Double Dork." *[raising his football]* "Hey Rolf! Incoming!"

**Eddy:** *[walking Edd over to the treadmill]* "Forget him. Your brittle bones will be as strong as steel after this!"

**Edd:** "I could just increase my calcium intake—"

**Eddy:** "Aw, come on. All you gotta do is run!"

*[Edd tries it. He quickly slips off the treadmill with a scream and lands at Kevin's feet]*

**Kevin:** *[laughing]* "Oh, my ribs!"

**Rolf:** "Sausage and ribs, yes?"

**Eddy:** "Forget them. This one will be easy." *[He holds a jump rope]* "Go for it, Sockhead!"  
*[Edd attempts it once and fails. The kids all laugh at him]*

**Edd:** *[walking up to a dumbbell in front of Eddy]* "Oh let's quit now, this is embarrassing!"

**Eddy:** "You can't quit! We're just warming up!"

---

*[Edd is in a position to lift the dumbbell]*

**Eddy:** "When I'm done with you, you'll be the next Charles Cullis Supreme."

**Edd:** "But Eddy, muscle expenditure can cause unsightly stretch marks."

**Eddy:** "Your brain's the only thing with stretch marks. LIFT!"

**Edd:** "I don't think I can."

*[Edd attempts to lift it. He somehow manages to do it, and it goes over his head. While he is unsteady, he has still managed to lift the dumbbell]*

**Edd:** *[excited]* "LOOK!" *[One dumbbell falls off, and he tilts to the side that kept its weight]*

**Ed:** "Good job, Double D!" *[He throws a handful of Chunky Puffs at him, and the kids laugh. Edd, mortified, pulls his hat down over his face. Ed picks him up and carries him off. Eddy follows]*

**Eddy:** "This is harder than I thought."

---

**Eddy:** *[carrying a plastic tree to a makeshift wrestling ring in the construction zone]* "This'll prove to everyone that Double D's a champ!"

**Ed:** *[stretching the ropes to the tree to complete the ring]* "Look out, Eddy!"

**Eddy:** *[seeing that the ring is complete]* "Bingo." *[knocking on a porta-potty door]* "Everything's set up! Get out of there!"

**Edd:** *[peeking out from the Masked Mumbler]* "Eddy, wrestling? Please." *[He shuts the door]*

**Eddy:** "C'mon Double D, wrestling is the ultimate de-wimpifier." *[after Edd doesn't give in]*

**Daniel:** "Actually Boxing is. Because it's real and wrestling is fake/just for shows like the WWE."

**Eddy:** "Okay, don't come out. You can live there forever."

**Edd:** "But it smells funny."

**Eddy:** *[dragging him out]* "Cool. You'll be world champion in no time!"

*[We now get to see Edd in full battle regalia. His uniform consists of a red leotard with a belt around the waist and a plunger on top of his head]*

**Edd:** "I don't wanna fight, Eddy."

**Eddy:** "What are you talking about? Wrestling ain't about fighting. It's all strategy and tactics!"

**Edd:** *[interested]* "Like chess!"

**Eddy:** "Exactly! Now, let's find you a challenging opponent."

---

*[Jonny is sitting in the lane with Plank. He feeds Plank a spoonful of yogurt and then feeds himself one]*

**Jonny:** "Leave some for me, Plank!"

**Plank:** "More please, Jonny."

**Jonny:** "Okay, okay! You must have a hollow leg, you piggy."

*[While Jonny is looking away, Eddy replaces Plank with a hollow stump. This stump, like Plank, has a face drawn on it in crayon]*

**Jonny:** "Here you go." *[seeing the change]* "Who are you?! Who took Plank?"

---

*[Eddy bangs on a pan with a spoon. A close-up of Edd's masked face is seen, followed by a shot of Plank/Bill Cipher, sitting on a chair in a corner of the ring]*

**Edd:** "This is not good." *[clutching at Eddy]* "Eddy, please reconsider. He's frightening me!"

**Eddy:** "Bill's just playing mind games like always." *[walking Edd to the center of the ring]* "Don't fall for it. Look him straight in the eyes, and watch out for those sharp corners." *[banging the pan again]* "Get it on!"

**Edd:** *[after Bill stomps on his foot]* "Yow! Ig! Goo! Ouch!" *[he steps on Plank and slips]* "Eddy! Help me!" *[Bill hits a rope and is propelled directly at Edd. Bill hits Edd on the side of his head]*

**Eddy:** *[catching Bill]* "Double D! Here! Take him down!" *[He hauls Edd to his feet and hands Bill over]*

**Edd:** *[struggling with Plank]* "Corners!"

**Eddy:** "Throw him!"

*[Edd throws him.]*

**Eddy:** "Get angry!"

**Edd:** "Grrr. Ow. That gives me a headache, Eddy. Plus I am not like Bruce Banner."

**Eddy:** "Well then, you should sit and rest."

**Edd:** "Oh, boy..."

**Eddy:** *[setting Edd on Plank]* "Easy does it. Ha ha! One two three. And the winner is...The Masked Mumbler!"

*[Nobody is around to witness Edd's glorious victory]*

**Eddy:** "If a crowd existed, they'd be going wild!"

**Jonny:** *[angry]* "You guys think you're so smart. You guys are just a bunch of phonies just like those in WWE!"

**Eddy:** "Bill lost, fair and square." *[He laughs]* "Get it? Square? Plank?"

**Jonny:** "Cheaters! By the way, [LarryBoy](#) called, he wanted one of his ears back." *[He kicks Edd in the shin. Edd, stumbling around in pain, runs into the Kankers, who have suddenly appeared]*

**Eddy:** "Kankers. Who invited you?" *[Daniel raises his arm as he looks mad at him]* "Pull that arm down, HairyTeen."

**Lee:** *[bullying Eddy]* "What are you doing here?"

**Ed:** *[still eating Chunky Puffs]* "We're wrestling!"

**Lee:** "Wrestling, ha!" *[to Eddy]* "I love it when you raise your eyebrow like that."

**Eddy:** "Oh, you're not getting to me, Lee Kanker."

**Lee:** "You Eds and Daniel are so cute when you do stupid stuff." *[The Kankers laugh]*

**Eddy:** *[unable to come up with a retort]* "Who-uh-ahh!"

**Lee:** "Ha! I say we wrestle you! May and Marie are great at purple nurples."

**Eddy:** "You're on, Kankers!"

**Ed:** "What's a purple nurple?"

**Edd:** "It has something to do with a strudel filling."

**Ed:** "Cool!"

---

*[Rolf is underneath his cow, milking it. He pulls out a cup and offers it to Jimmy]*

**Rolf:** "Please pass down this milk, my cow is quite gorged."

**Jonny:** "Plank is thirsty."

**Kevin:** "Those Eds are gonna get thrashed!"

**Eddy:** *[announcing the match]* "Welcome to the Cul-de-sac Wrestling Championship! Here, all the way from the other side of the lane, you know 'em, you love 'em, you can't live without 'em, The Cosmic Pirates! Huh?" *[to Daniel]* "I thought we were Pirate Thunder or Thunder Pirates?"

**Daniel:** "Maybe in Season 3 of Power Rangers Pirate Thunder we go [galactic](#) just like the KND was going to."

*[The Eds and Daniel pose. Some mild clapping is heard]*

**Eddy:** *[now talking in a "don't care" type of voice]* "And, the Calcified Kankers."

*[The crowd boos the Kankers. Lee growls]*

**Eddy:** "Here's your chance, Double D. Get in there!"

**Edd:** *[trying to leave the ring]* "But Eddy, I bruise easily."

**Eddy:** *[holding up a toilet paper roll]* "You're covered."

**Edd:** "Eddy! Washroom cleanliness won't help me now!"

**Eddy:** "No, but these knee pads will!"

**Edd:** "But-but Eddy!"

**Ed:** "Cool, Double D!" *[Edd has toilet paper rolls on all four limbs]*

**Edd:** "Are they at least two-ply?"

**May:** *[leaping into the ring]* "Come to Mama!"

**Edd:** *[grabbing one of the ropes as Eddy drags him to center stage]* "Oh no! Eddy, stop! Please!"

**Eddy:** "YYYYEEEEEEEEEEAAAA—" *[Edd's grip slips]*

**Edd:** "Oh dear." *[He winds up right next to Marie, sitting down]* "Hello, Marie."

**Marie:** "Hiya, muffin. Let's play!" *[She then proceeds to use him as a jump rope]*

**Eddy:** *[watching in horror]* "Double D's a goner."

**Rolf:** "Your garden is overgrown and your cucumbers are soft!"

*[Marie is then shown wrapping him in his toilet paper. She finishes tying him up]*

**Marie:** "Here comes your prize, May!" *[May then attempts to kiss him. Edd runs away, and she giggles]*

**Edd:** "Okay, that's it. Tag me tag me tag me!"

*[Ed tags him and jumps into the middle of the ring]*

**Ed:** "Take me to your leader!" *[He runs in circles around May]*

**Eddy:** "Give 'em the burrhead bump, Ed!"

**Ed:** *[covered in Kankers]* "I can't, Eddy. My mom says I can't fight girls." *[He tags Eddy]* "Tag!"

**Marie:** "Let's kiss him!"

*[Eddy screams and runs away]*

**The Kankers:** "Come back, dumpling!"

*[The other two Eds continue to eat Chunky Puffs. Lee catches Eddy and proceeds to beat him up by playing him like an accordion]*

**Rolf:** *[dancing]* "I love this music, it is so shiny."

**Eddy:** "AAAUUH."

**Rolf:** "This is better than counting chickens. Look!"

**Eddy:** *[being lifted by the Kankers, who have formed a tower]* "AAAH! HELP!" *[They throw him into a frying pan that Lee is holding. She flips him like a pancake]*

**Lee:** "I just love home cooking!" *[She flips him to the top, where Marie spins him]*

**Marie:** "Spin, dry, and tumble!" *[She throws him down and lands on him. She then proceeds to throw him into the ropes]*

**Ed:** "Hi Eddy!"

**Eddy:** "HELP!"

*[Eddy rebounds off the ropes towards the middle of the ring. The Kankers have rigged up their slingshot on the other end, and they send Lee flying straight towards Eddy. She hits him dead-on and proceeds to beat the Eds up]*

**Kevin:** "Whoa, cool!"

**Jonny:** "Close your eyes, Plank!"

**Jimmy:** "Holy cow!"

**Sarah:** "Ewww!"

**Rolf:** "Ha-ha!"

**Kevin:** "Purple nurples."

**Eddy:** "WAAAH!"

**Edd:** "Not good! Not good!"

*[Ed laughs]*

---

**Kevin:** *[sarcastic]* "I guess the Eds showed us."

**Rolf:** "Ya, perhaps we should take up basket weaving." *[They laugh and walk away until they hear in confusion from Daniel's watch beeping]*

**Daniel's Omnitrix:** "WARNING! Demonic Presence threat level 5 entering the ring."

*[A knight-armored demon just walks into the scene]*

**The Kankers:** *[leaving the ring]* "What the heck is that?!"

**Lady Lucy:** *[was in the crowd]* "Meet my strongest demon in my army, Kankers. [The Marauder](#)." *[The Eds trying to escape but are tied together in a knot. Daniel puts down [a suitcase](#) and then steps on it to suit up as the DoomSlayer then The Marauder steps into the wrestling ring facing Daniel]*

**The Kankers:** "Run for it, girls!" *[They run away fast]*

**Daniel:** "What? Did I miss making your pancakes too?"

**Marauder:** "You were never one of us." *[He whips out his axe and active it]*

**Daniel:** "What do you mean by that?"

**Marauder:** "You were nothing by a usurper." *[He drags his axe across the ring]*

**Daniel:** "A what now?"

**Marauder:** "A false idol to those humans."

**Daniel:** "Oh. Hey!"

**Marauder:** "My eyes have been opened. Let me help you to see, Slayer."

**Daniel:** "Never!"
