

Care of Magical Creatures Syllabus

For the school year 2033-2034

Instructor Information

Instructor	Mail	Course Location
Professor Bane (JettBane) Head of CoMC Department	via Owl (note cards) NOT during class	Classroom 22B or TBA

General Information

Description

In the class, you will be taught things about a wide range of Magical & Mundane Creatures. You'll learn about the habitats, proper treatment and feeding of these intriguing creatures.

Expectations and Rules

- Arrive on time and take a proper seat (no window seating)
- Be in correct attire (standard uniforms / hats & robes not required)
- Bring a positive, polite and respectful attitude
- Raise your hand before you speak (no side chit chat)
- No food or drinks in class (obvious for safety reasons)

Assignments

- Assignments must be on time & correctly done in order to receive any points
- Most assignments will be due by the end of each term (Dec 19, Mar 19 & Jun 12)

*Homework (use the CoMC Links):

- *You will never receive points for directly copying or plagiarizing*
- [CoMC Links](#) (all assignment links found here)

Course Materials

Required Text
