Vivienne Beaumont

Herself

[11/17/19]

"I like to think of myself as someone who knows what they want. Has their life planned out, and tries to make their parents proud - not like they already are. I guess I do have quite high expectations of myself..."

[11/25/19]

"Oh wow. Who would've thought that I actually have emotions."

Ivan Vladimirovich Volkov

Roommate, Close Friend

[11/17/19]

"Ivan is nice."

[11/29/19]

"Hm... Ivan and I are quite close, that's for sure. I invited him to spend the holidays with me and my parents seeing as he doesn't have a good relationship with his family. Who knows... maybe we could be his new family."

[07/21/20]

Oh Ivan... if only I had you with me right now."

Taiga Tefera

Ex-Girlfriend

[11/17/19]

"Taiga is... a special individual. I thought I'd hate her at first, but she's actually quite grown on me. I could be mean and say *like a rash* but... that wouldn't be true. She's tolerable to say the least."

[11/19/19]

"...oh no."

[11/24/19]

“She is quite the charmer, not going to lie. But I won’t let my guard down just yet. I wonder what my parents will think of her?”

[11/25/19]

“...”

[11/16/19]

“A lot has happened in the past few weeks. We have had our ups and downs, but I’m really happy with where we are right now. It feels good to be around her, and I think I could get used to calling her my girlfriend.”

[05/18/20]

“Taiga and I realized that we are two very different individuals and decided to part ways. It stings, but I’m sure it’s for the best.”

Rodrick Alexander

Acquaintance

[11/17/19]

“I don’t know him too well, but he seems interesting. I wonder what’s up with him and his family.”

Persephone Shaw

Friend

[11/17/19]

“She’s quite alright. One of the few other girls I can tolerate.”

[12/19/19]

“Perse has quite grown on me. I’m determined to find her a partner, as promised.”

[06/21/20]

“We’ve been hanging out a lot recently. I’d be lying if I said I wasn’t enjoying her company. She’s... got a lot of energy, but I find myself being drawn to her.”

[07/21/20]

“...I’m terrified. I never felt like this before, and I am afraid of doing something... anything wrong. Persephone means a lot to me. I don’t want my feelings to come in between our friendship.”

Julius Siris

Acquaintance

[11/17/19]

"Hm. I'm not quite sure, actually. He's quite smart, that's for sure. But I don't know if I'd get along with his type. However, he sure did seem to catch Ivan's attention, so I will keep an eye on him."

[11/17/19]

"It seems like Ivan took a liking to him. How utterly nerdy of him. However, I will keep an eye on Julius, just in case. He wouldn't want to feel my wrath."

[11/29/19]

"I guess I could've expressed myself better when I talked to him the other day. I didn't mean to come off as rude or threatening. I guess Ivan simply means a lot to me, and I just want the best for him."

Mikey Durst

Stinky

[11/17/19]

"What a bastard."

Florent Garnace

Friend

[11/17/19]

"Don't get me wrong. I like Florent. But sometimes he even annoys *me*."

Mortimer Mackenzie

Acquaintance

[11/17/19]

"Hm... he sets my cat hair allergy off..."

Florence Brooks

Acquaintance

[11/17/19]

"Hm. She seemed quite shy when I met her. I'd like to get to know her better."

Christine Reed

Acquaintance

[11/17/19]

"What a strange little ghost."

Naoto Murakami

Ex-Boyfriend

[12/19/19]

"We briefly dated some time ago. I don't think I had any actual romantic feelings for him nor do we talk much. Maybe I should send him a text again after all this time. After all, we've matured ever since."

[07/04/20]

“Don’t even ask.”

Kennedy Halcyon

Acquaintance

[01/24/20]

“A strange boy... I feel sympathy for him for being turned into a monster. It must be hard to adapt to this new lifestyle... but I’m sure he’ll get the hang of it sooner or later.”

Cleon Tu

Acquaintance

[06/21/20]

“Cleon seems like a nice guy. I appreciate his love for the arts.”
