Hey [pc.name],

There is a certain blog on the extranet that concerns you. Check it out when you have the chance. Here's the link:

<i>A link is displayed here with the word fansite in its URL</i>

You've been a naughty [pc.boyGirl], haven't you?

<i>Well that's interesting.</i>

Fansite has been added to the Smut menu in your ship's Masturbate option
//add a [Fansite] button to the smut menu options

The Blog

{FirstTime}: Curious about that email you got, you follow the link. You are greeted by an off-white colored page with pink and purple interwoven lines bordering the whole screen. A silver-colored title, "The Steele-Hard Fansite", adorns the page's top with a couple of tiny hearts around it. Below it there is a picture reel consisting of nothing but pictures of you in various sexual positions, all of which are in public. At the bottom there is a greeting message.

Repeat: You decide to check on your fansite and find the URL. You are met by the familiar vanilla and pink landing page and its greeting message.}

"Welcome to the unofficial [pc.name] Steele fansite," the message reads. "The {heir/heiress} to the Steele fortunes has been really into exhibitionism for a while now. [pc.HeShe] has often encouraged us to share their escapades with the galaxy. And that we did! We created this fansite so we can share our adoration of Steele and fulfill [pc.hisHer] wishes. Please only scroll through the blog if you are an adult, and upload whatever you can find. (P.S. we don't mind reposts)."

You see a **{postType**: picture/gif/video} of one of the times you masturbated in public. The cover of the post is a still image of you **{postVariation1**: preparing yourself/ pleasuring yourself/ lost in orgasm/ basking in the afterglow}.

They must have listened to your pleas back then and shared your indulgence to the world; how nice of them!

The thought that anyone in the galaxy is only a tap away from masturbating to you has blood rushing to your groin. Full of excitement and curious as to how much of your perversion is visible, you click on the post's cover.

2: that captures the exact moment when the orgasm hit you. {postVariation2: 0: The slutty expression drawn on your face takes up most of the picture, leaving no room to doubt how much you were enjoying yourself there /1 (IF taur: go to 0): The side photo displays your quivering form lying on the floor, back-arched, legs splayed open with both hands sunk between them pleasuring your loins. The accompanying soundtrack is a symphony composed from the myriad of sounds you made and the background chatter of the crowd.

}

Memories of that time flood your mind with nostalgic satisfaction and your crotch with mounting lust. Public masturbation is, truly, the best type of masturbation.

Miscreant Manor

There is a {**postType:** picture/gif/video} of one of your visits to the Miscreant Manor on New Texas. The cover of the post is a still image of you {**postVariation1:** helplessly waiting for dick/ taking a cock in your mouth/ getting fucked like there is no tomorrow/ covered in jizz}.

Your mind is instantly taken to the wonderful time you had there; to all the delicious dicks that fucked you and all the people that witnessed your debauchery. As you recount whatever you can remember, a feeling akin to homesickness comes over you. Maybe you should pay the manor a visit as soon as possible?

Now that this is posted here, anyone with extranet access can lay eyes on your bottomless cock-love in action... <i>and you couldn't be happier</i>. Full of excitement and curious as to how much of your perversion is visible, you click on the post's cover.

{**postType**

0:

The picture expands, covering the screen edge-to-edge with an image {**postVariation1**

0: of you held firmly in the stocks waiting to get fucked. {**postVariation2:**

0: Your unsoiled body covers most of the screen, looking helpless and vulnerable before its first dick

1: An out-of-focus figure appears to be approaching, his hands holding something massive between his legs

2: The cum from your first few users highlights your figure and more surround you

3: You look drained from fucking, but there are two more people who appear to be stepping up to have a go at you}.

1: that focuses on your face. {**postVariation2:**

0: The side pic shows your throat bulging obscenely around the massive shaft of a **{postVariation3: New Texan/Ausar/Terran/Kui-Tan}**, shiny droplets of your drool frozen mid-air

1: Your eyes are closed with an expression that signals that you were sucking that **{postVariation3: New Texan/Kaithrit/Terran/Equine}** cock like your life depended on it

2: Strings of drool connect your open mouth to the **{postVariation3: New Texan/Ausar/Terran/Draconic}** dick at the forefront and your eyes are rolled back in your head. The culprit behind your expression seems to be the figure at the background buried deep inside you

3: Coated in spunk, you appear as an accommodating cock-holster to the shaft buried deep into your throat}.

2: showcasing how thoroughly you were being used. **{postVariation2:**

0: Sandwiched between hard members, the intensity of the moment pops out

1: With your tongue lolling out and the hips of a **{postVariation3: New Texan/Terran/n Ausar/Kui-Tan}** appearing as a blur, you can almost feel the picture move

2: Two people appear to be releasing their seed deep into you, if the cum spurts escaping you indicate anything. More behind them await their turn

3: You look well and truly fucked, but the long lines on each end show just how much more dick you took after}.

3: your cum soaked form. **{postVariation2:**

0||1: Spunk of all types and colors appears to be hosing out of your freshly fucked holes

2||3: You are covered head to toe in seed from all corners of the galaxy}.

1:

After a moment of buffering, the gif starts playing. A loop of **{postVariation1**

0: you helplessly waiting **{postVariation2: for your first user/for a second suitor/yet another/for more cocks}** to fuck you, shuffling in your restraints ever so slightly plays.

1: your mouth being used plays. **{postVariation2:**

0: The loop consists of the **{postVariation3: New Texan/Ausar/Terran/Kui-Tan}** in front of you savagely ramming his cock into your throat over and over

1: You appear to be needily trying to suck the **{postVariation3: New Texan/Kaithrit/Terran/Equine}** shaft in your mouth despite your restraints

2: The gif captures the moment when an orgasm hit you. Your eyes roll back as your head lurches upwards

3: Cum streams down your face and towards the floor like some sort of slutty waterfall. The **{postVariation3: New Texan/Ausar/Terran/Draconic}** cock in your mouth doesn't seem to care much though, given the way it is using your mouth}.

2: you being used like a fuck toy plays. Within the loop **{postVariation2:**

0: two cocks brutally fuck you in sync like it's the end of the world. Your body shakes violently with their thrusts despite the stocks holding you

1: your body is being wracked by a powerful orgasm around the two cocks ruthlessly fucking both your ends.

2: the person using your face releases his seed into your gullet, then moves out for another {**postVariation3:** New Texan/Terran/Ausar/Kui-Tan} to have their fun. The one using you from behind is railing you like a rutting beast

3: two burly {**postVariation3:** New Texans/Ausars/Terrans/Dzaans} high five each other then proceed to have a competition in who can fuck you the hardest}.

3: your cum soaked figure plays. {**postVariation2:**

0||1: Cum of all types and colors hoses out of your freshly fucked holes onto the floor for a quite a bit of time

2||3: The gif pans over your seed coated body, capturing the continuous streams of cum dropping around you}.

2: A video starts playing. Starting from a moment when {**postVariation1:** you were waiting for a dick to use you / two dicks were using you as a cock-sleeve / orgasm hit you / you were cum soaked} until {**postVariation2:** **0||1:** the stocks released you **2||3:** twenty minutes have passed}. Cocks of all shapes and sizes use you over and over, and you cum every time they do. The video ends with you looking messier than its beginning and much more helpless. The soundtrack is wild mix of smacking, squelching, gagging, chatter, moaning, and grunting, leaving little else of that day's events to the imagination.
}

This is scandalous in every way possible... but that is exactly why you love having it here. This way, your passion for dick is being shared well beyond New Texas, and to every corner of the galaxy.

Belle Trifecta

A {**postType:** picture/gif/video} one of the times Belle "experimented" on you in Uveto appears. The cover of the post is a still image of you {**postVariation1:** **0||1:** being walked around Uveto station **2||3:** pleasuring your double-dicked mistress}.

You are reminded of the submissive bliss that took roots in you while collared back then. You {notNeuter: feel your [pc.lowerUnderGarment] dampen with {[pc.cumVisc] precum}{ and {[pc.girlCum]} and} wonder if she came up with more experiments?

Knowing that anyone can watch you being an obedient little pet makes you happy. Full of excitement and curious as to how much of your perversion is visible, you click on the post's cover.

{postType

0:

The picture expands, covering the screen edge-to-edge with an image **{postVariation1**

0||1: of you nude, leashed, and on all-fours trailing behind Belle. **{postVariation2:**

0: In the picture a sizeable number of people can be seen in the background pointing and taking pictures. Meanwhile, there is a **{postVariation3:**

Huskar/Kaithrit/Terran/Ausar} **{postVariation1: 0||2:** groping **1||3:** spanking} you

1: Given the smirk on your mistress's face and how blurry your ass looks, there is no doubt that picture was taken when you were commanded to shake your ass like a good pet

2: There is a **{postVariation3:** Huskar/ Gryvain/ Terran/n Ausar} hand petting you, seemingly gently because you eyes are squinted and your expression is pretty relaxed

3: There is a massive load plastering your face and dripping, given the trail of spunk behind you. This was taken on your way back to your mistress's lab right after you relieved her

}.
}

2||3: of you on your knees **{postVariation2:**

0: staring at your mistress's twin knotted cocks in awe

1: going down on one of Belle's footlong cock while gripping the other with both hands

2: held firmly against the scientist's balls, while her free cock is firing a load into the air

3: covered in spooge and drooling a mix of saliva and the spunk that couldn't fit in your cum-bloated belly. Your mistress appears behind you reeling from a powerful orgasm

}.
}

1:

After a moment of buffering, the gif starts playing. A loop of **{postVariation1**

0||1:

{postVariation2

0: you walking on all fours swaying your ass seductively as Belle leads you around

1: your body being groped and spanked by a host of hands of all shapes and sizes

2: you cozying up to a **{postVariation3:** Huskar/Leithan/Terran/n Ausar} hand petting you on the head

3: you on all fours and cum drenched, leaving a trail of cum as your mistress drags you behind her

}
}

2||3: you on your knees in front of your double dicked mistress,

{postVariation2

- 0:** staring doe-eyed as she reveals her package
 - 1:** lunging at her cocks like a starved beast
 - 2:** eagerly going down on one cock while jerking the other off with your hands
 - 3:** being coated by cum while your belly expands with a similar load
- }

} plays.

2:

The video starts playing focused on your leashed form **{postVariation1:**

0||1: being led around on all fours by the lusty scientist. Accompanied by loud chatter and endless cat-calling, a sizeable crowd of Uveto station residents and tourists is gathered around you. **{postVariation2:**

0: Gasps and incredulous interjections are heard as you pass through the gathering, coated and filled with your mistress's spunk. A trail of semen drips off your face and your panting mouth like a slutty snail, making your path all too easy to track

ELSE: The video follows you around documenting everything Belle commands you to do. Sometimes you are seen being groped, caressed and spanked by horny people of all kinds. Other times you are being pet and complemented like an actual pet. The filmer also made sure to get as close as they could to your ass whenever your mistress commanded you to flaunt your assets, capturing its finest details in the process}

2||3: obediently kneeling in front of the dommy scientist. The video starts from the moment **{postVariation2:** Belle revealed her twin knotted shafts/you lunged greedily towards her dicks/you were servicing her cocks with your mouth and hands/Belle was simultaneously stuffing and painting you with her cum}. The video only ends after your mistress is done depositing her load in and on you and begins to drag you away }.

You can't help but admire how hot you look walking around nude on all fours at the center of a crowded station and how right it feels. Maybe you should do that more often?!

Belle Exhibition

Rival

You stumble upon a point-of-view video of you going down on someone. Curious, you click on it and the video starts playing in full-screen.

The moment the recorder starts taunting you, bittersweet memories flood your mind and you start to remember everything. Belle had placed vibrators in and on all your sensitive spots, then sent you out to pleasure someone. Horny and submissive, you ended up running into and going

down on {Jack/Jill} in front of everyone on Uveto. <i>[rival.HeShe] actually uploaded that video [rival.heShe] sent you to the extranet?!</i>

You feel so... furious... humiliated... turned on...

A myriad of emotions cross your mind that you're not even sure how you feel about it. Anyone with extranet access can now watch you happily go down on your archrival, who also happens to be <i>your cousin</i>.

Yet for some reason, you continue watching yourself submissively go down on your cousin, despite [rival.hisHer] taunts and insults. You watch how, without a shred of hesitation, you obey [rival.hisHer] orders like a good puppy. By the time you watch yourself cumming with {his dick in your mouth/your face in her muff}, you can't deny feeling a little turned on by all of this.

Kiro

You stumble upon a {**postType**: picture/gif/video} of the time Belle ordered you to please a stranger on Uveto and you ended up serving Kiro. <i>That was a lovely experiment.</i>

The post captures the moment when {**postVariation1: 0**: you pounced on your tanuki lover **1**: you were lavishing her flared manhood with your tongue **2**: the horse-cocked kui-tan was balls deep in your throat **3**: Kiro was emptying her bountiful seed into your distending belly}.

You wonder if you'd have another chance to service her on your next visit to Uveto, she would definitely appreciate it.

Syri

You stumble upon a {**postType**: picture/gif/video} of the time Belle ordered you to please a stranger on Uveto and you ended up serving Syri. <i>That was a lovely experiment.</i>

The post captures the moment when {**postVariation1: 0**: you pounced on your ausar lover **1**: you were lavishing her tapered member with your tongue **2**: your doggy-digged lover was knot deep in your throat **3**: Syri was emptying her large balls into your depths}.

You wonder if you'd have another chance to service her on your next visit to Uveto, she would definitely appreciate it.

Sub-Sera Walkies

You come across a {**postType**: picture/gif/video} of one of the days you paraded your demon-bitch around Tavros's residential deck. The cover of the post has you dragging the leashed slut behind you.

You remember that day like it was yesterday. The bitch had messed around with your shit and foolishly thought she would get out of it easy. She was taught her place though, and someone even managed to immortalize it on the extranet too... serves her right. Maybe you should show it to her later, it would make for a fine reminder.

You wonder just how much of her punishment is out there, and click on the post's cover.

{postType

0:

The picture expands, covering the screen edge-to-edge with an image **{postVariation1**

0: that shows you confidently pulling on the leash of the demon-sub behind you

1: where Sera is kneeling obediently next to you, as you look at a holo-board

2: focused on the fuck-pet's **{postVariation2: 0||1: ass 2||3: tits}**, as she crawls on all fours

3: of you adorning a satisfied smile drawn on your face, while Sera's is glistening with drool

}.

1:

After a moment of buffering, the gif starts playing. A loop of **{postVariation1**

0: the leashed demon-girl's tits bouncing with every step

1: your bitch kneeling not long after you point to the ground

2: Sera's ass swaying as she follows you on all-fours

3: an exhausted Sera drooling remnants of your sexual fluids

} plays.

2:

A short video starts playing. It captures everything from the moment **{postVariation1**

0: you walked onto the deck dragging the pet-slut behind you, until you stop at a holo-board

1: Sera obediently kneels following your silent command, and for a few minutes of her walking on all fours

2: you take Sera behind a holo-board, until your moans can be heard

3: you walk out from behind a holo-board all satisfied with the exhausted demon-bitch behind you, until you get back to the elevator

}.

}

This is just wonderful, you can't put it in any other way.

The prospect of contributing directly to a fansite dedicated for your public sexcapades alone fills you with a unique rush you haven't experienced before. This will be *so* much fun.

{**FirstTime:**

You take a deep breath and focus on the task at hand. With an encouraging sigh you press the 'share' button. You are redirected to a registration page to create an account. Once your account is made you are brought back to the streaming popup.

You press 'share' again.

This time a bing plays, followed by an image of your ship's ceiling taking over most of the screen. A red dot blinks in the top left corner, while a number next to an eye icon at the bottom displays the number of viewers, currently at 10. A blank column titled comments is displayed on the right.

You take another deep breath, then adjust the camera towards you. You can barely hide your excitement as you clear your throat.

{Bimbo: "Hiiii!" You giggle, "I'm, like, [pc.name] Steele and I love this blog sooooo much. So I'll give you the absolute bestest gift ever. Enjoy!"

Kind: "Hi everyone! I'm sure you all know who I am," you say with a sweet tone, "but I'll introduce myself anyways. I am [pc.name] Steele. I love it when people watch me enjoy myself. And I'm here to do just that."

Misch: "I stumbled upon this place by chance and found out that I am quite the celebrity around here," you say playfully. "So I thought to myself, what kind of celebrity would I be if I didn't show my fans how much I appreciate their support."

Hard/Brute: "Sup! It looks like I am popular around here," you announce confidently. "Now I am kind of horny and nothing beats masturbating in front of an adoring audience. Basically, you guys are lucky."
}

The viewer count is now in the hundreds and steadily increasing. Comments of all sorts trickle in and fill the chat box. You start to wonder how high it will get by the time you finish. You don't ponder the thought long and return your focus to the task at hand.

Repeat:

You press the button with burning anticipation. The familiar streaming screen pops up. You occupy the center of the display framed by your room.

"Hello again!" you greet the bursting viewer base, already reaching thousands. Responses start to fill the comment section with palpable eagerness.

Fan Encounter

//Should be a rare encounter available in all areas with civilians

The Encounter

As you move about, you notice someone staring directly at you. {He/She} pulls out a codex and darts couple looks between you and the device. A few seconds later, {his/her} eyes go wide and {he/she} approaches you with a bit of hesitation.

{fanPersonality:

0: "H-h-hi..." {he/she} softly speaks with {his/her} eyes focused on {his/her} feet.

"Y-y-you're [pc.name] Steele, right?"

1: "Hiiii!!!" {he/she} chirps, unable to hide {his/her} excitement. "Ohmystars! I wasn't sure before but seeing you up close made. You're [pc.name] Steele, right?! Right?!"

2: "Heeey theeere!" {he/she} says with a low voice, trying to be suave. "You must be [pc.name] Steele. Correct?"

}

{**Kind:** "Yes, I am. How can I help you?" **Misch:** "Of course I am. Need anything?" **Hard:** "yeah, so?"} you respond to the curious {man/woman}.

{**fanPersonality:**

0: "I-I'm a huge fan of yours" {he/she} replies while trying to make eye contact. "I check your fansite every day... and I hope one day I'll be as daring as y-you. So..." {He/She} takes a deep breath, then continues "...I would love to have your autograph."

You look at {him/her} with amusement. Turns out you are quite the unexpected role model.

{He/She} notices the look on your and quickly adds "I-if you don't mind of course."

1: "You are like, my hero!" {he/she} exclaims. "Your public adventures are an inspiration to a lot of people. And I'm at the top of the list!"

There is a brief moment of silence where {he's/she's} lost in thought, then {he/she} continues. "Oh! I have an idea. I would love a memento to remember this glorious day. Would you please sign my {dick/tits}?"

'Inspirational' is not how you imagined your fetish would be described but here you are now. You notice your lively fan waiting for your answer expectantly, awaiting an answer.

2: "Your fansite is my ultimate spankbank" {he/she} declares as {his/her} eyes roam your body. "No one can get me as horny or make me cum as hard as you. I absolutely adore you."

Well, at least {he's/she's} honest. Looks like your escapades are as hot to watch as they are to experience. You are about to ask {him/her} what {he/she} wants from you, but you are interrupted.

"I have fantasized about something like this since forever" {he/she} says with a blush. "Can I please take a picture of you going down on me. You don't even have to finish me off. Just the picture, it's all I need. Please."

}

So what do you do? You could fulfill their wish on one hand or you could turn them down kindly.

How can you turn {him/her} down after {he/she} asked so nicely? What kind of idol would that make you?

"Alright." You respond with a brilliant smile. "I'll make your wish come true."

You follow with a wink as {his/her} eyes widen with excitement.

{fanPersonality:

O: "R-really?" {he/she} asks incredulously.

"Yes." you try to put {him/her} at ease. "What do you want me to sign?"

"Oh, thank you" {he/she} says while reaching into {his/her} pockets "It's right here. I carry it with me everywhere I go."

After a few seconds of fidgeting, {he/she} pulls out a small tubular container. "Found it!"

From the container {he/she} produces a roll of laminated paper. {He/She} carefully unrolls the small poster and hands it to you along with a pen.

You take the poster from your anxious fan expecting to sign a normal picture of you. Instead, you are greeted by a fully exposed body shot taken after one of your many public sexcapades.

"Ah! That was a fun day." you reminisce while signing your name on an empty corner of the picture. "And done! There you go."

{He/She} takes the poster and admires it for a few seconds. "Thank you so, so much [pc.name]!" {he/she} says while {he/she} carefully rolls the poster and returns it to the container. "I will hang it in my room and always remember this day!"

"It was my pleasure." You offer your hand to {him/her}. "I wish you manage to fulfill your dream. Exhibitionism feels like a challenge at first but you will absolutely love it once you start."

{His/Her} face turn beet red and {he/she} grabs your hand with both {his/hers}. "T-thank you for the encouraging words. I will try my best."

1: "Awww YES!" {he/she} practically shouts.

{He/She} hands you a marker then without even a shred of hesitation {he/she} pulls {his dick/her tits} out of {his/her} clothes. "Whenever you're ready hero."

"Quite the bold one, aren't you?" you chuckle at the energetic {man's/woman's} enthusiasm.

"I learned from the very best." {He/She} retorts with a wink.

"Such a good student." You ready the marker then continue "So how do you want it?"

"{Just above my dick/Right across my tits} please."

{fanGender: 0: You kneel down until you are face to dick with him. With a smirk you grab his hardening member and sign your name right above it. Once you're done you let go of his now rock solid dick and bring yourself up.

1: With a smirk you grab her left boob and sign your name across her cleavage. By the time you let go to admire your work, her tits are heaving in rhythm with her now heavy breaths and her nipples are rock hard.
}

"All done." you give {him/her} a wink. "Hope you enjoy it"

"Mmmm! That is why I love you [pc.name]" {he/she} reaches down to {his/her} crotch as {he/she} speaks. "You're always full of surprises."

"My pleasure." Is all you say as you watch your fan squirm.

"Time to find a nice spot to blow off some steam." {his/her} eyes scout your surroundings. "See you later and thanks for everything."

2: "Are you serious?" {he/she} asks with a hint of suspicion in his eyes.

"Of course I am." you try to assure {him/her} "What kind of extranet idol would I be if I didn't take care of my fans?"

"Oh my void!" {he/she} exclaims, almost unable to believe {his/her} wish will come true "I am the luckiest {guy/girl} alive!"

In a flash your eager fan frees {his cock/her muff} right there in front of everyone. A {man/woman} after your own heart. How wonderful!

You meet {his/her} expectant eyes, wet your [pc.lipsChaste], then sink to your knees. Once you are comfy, you rub {his dick/her cunt} gently until it is nice and {hard/wet}. Now that {he/she} is ready for your ministrations, you draw your [pc.lips] towards your objects and give {his cockhead/her clit} a soft kiss.

You sultrily glance up at your fan. {His/Her} eyes are half-lidded, {his/her} face is redder than a terran tomato, and a soft moan escapes {his/her} lips every now and again.

You bite your lip when {he/she} notices you, then immediately plunge into {his/her} crotch. You {**fanGender:0**: bob your head on his turgid shaft while simultaneously caressing it with your tongue **1**: treat her dripping wet folds to a torrent of licks and kisses}. The lucky {guy/girl} savors the sensation for a while, then abruptly starts shuffling, probably realizing that {he/she} is yet to take the picture {he/she} requested. Through {his/her} constant moaning and panting {he/she} manages to pull out a device and snap a few pictures. You glance up to {him/her} once again with your mouth still {full of cock/stuck to her pussy} and wait for him to snap the final picture.
