📝 ○ NOTES ○

📢 Audio 1- Surah Aal-e-Imran

📖 Verses : 92-102

🌟 One can't attain righteousness and piety until he gives in the way of Allah سبحانه وتعالى that which is beloved to him.

🌟 The Ka'bah 🕌 is the first house built on Earth and not Bayt Al Maqdis. It was first built by the angels then reconstructed by Adam (عليه السلام) and then again reconstructed by Ibrahim (عليه السلام) and Isma'il (عليه السلام).

🌟 The Maqam Ibrahim is a trace of the Ibadah of prophet Ibrahim. It is the place where Ibrahim (عليه السلام) stood in obedience to Allah and constructed the Ka'bah.

🌟 When a person gives up something happily for Allah's sake then Allah سبحانه وتعالى values his effort and preserves it. 📖

🌟 Whoever has a healthy body, the financial capacity and is able to visit the house of Allah 🕌 but doesn't go for hajj or umrah within a period of 5 years then such a person has made himself DEPRIVED.

🌟 A person doing good deeds and being righteous at the present moment does not guarantee that he will remain in that state when death meets him.

🌟 A believer keeps his Eeman firmly rooted by constantly nourishing his faith which allows

him to protect it from wearing out overtime.

☀️ The last statement that our tongue should pronounce 🗨️ when death meets one of us is:  
لا إله إلا الله ✨💜
