

Pokémon Club For Girls and Boys 1st-7th Grades

Thursdays, 3:45-4:45 p.m. November 3rd, November 10th and November 17th, 2022

Get beyond the cartoon in this fun club! Pokemon is a fun and creative card game that builds strategy and problem solving skills; challenging players to use math and thinking to plan moves ahead in order to win. This club will focus on learning or reviewing the rules of play, how to build a deck and how different cards work. This club is appropriate for both beginning and advanced players. This includes those who have never played Pokemon or have played but need a refresher on rules/strategies for league play or who enjoy playing against other players for practice.

Attending students should bring a 60 card Pokemon deck to club sessions (also a play mat and damage counters).

Teacher: Mrs. September Larson slarson@pccharterschool.org

Fee: \$30.00 per 3 week session Minimum: 16 students
