Beautiful Day with God –Lyrics

The morning sun begins to shine
A brand new day, Your love is mine
Every flower, every tree
Shows Your love surrounding me

Every step, every smile
You are with me all the while

Beautiful day with God today
Walking in His perfect way
Hand in hand, I'm not alone
In His love I've found my home

Beautiful day, my heart will sing
Jesus is my everything
From the sunrise to the night
He will always be my light

Birds are singing in the sky
Clouds are gently floating by
Every moment, big or small
God is faithful through them all

When the rain begins to fall
I know He hears me when I call
With a thankful heart I'll say
What a beautiful day!

Beautiful day with God today
Walking in His perfect way
Every blessing comes from You
Every day belongs to You
