

Organizing Learning on My Own

Questions to ask yourself as a student and/or parent

Make a copy to edit and share with students and families.

Time Management

- How much time do I think this task will take me?
- How much time do I have available?
- When will I _____?

Managing My Own Learning

- How would I restate the learning goal in my own words?
- What's the best approach for me to meeting this goal?
- On my list, what is going to be hard?
- What's going to be easy?
- Do I want to start with what's easy or hard?
- When am I going to do what's hard?
- How can I break down this task into smaller pieces?
- When I _[get stuck in a certain way]____, I will _____.

Monitoring Progress

- How will I know when I'm done?
- Does this meet the learning goal?
- What new things have I done or found out about?

Keeping Track of My Resources

- What resources do I need to meet this learning goal?
- Where can I put them so that they are right where I need them?
