The final January 2025 update to the Earth Energy Healing website is available in the [Wayback Machine internet archive](#). This index includes links to a number of the newsletters which were joint mailings to the Great Shift Blog and are in the archive for those blogs. A number of EEH newsletters also include links to postings on the EEH Facebook page that was created in 2016, and these links are added to this index, along with links to a few posts on the FB page that are not referred to in Newsletters.
