

## Week 4 - Jesus vs. Legion

### GROUP QUESTIONS

- Where do you stand on the spectrum of belief about the spiritual world happening behind the scenes of the physical world we interact with?
- When you hear the word demon what do you immediately think of? Why do you think this is?

#### Read Mark 4:35 - 5:20

- Notice the authority of Jesus in his interaction with the storm and the demonized man. Is there any contest or battle?
- What would happen if you allowed Jesus' authority to rule over and guide your life?

#### Read Luke 14:27-33

- The grace of God, and His offer of forgiveness and salvation, are completely free to us, and cost us absolutely nothing. But following Jesus does cost us when it comes to our old habits, desires, and thought patterns. Have you experienced the cost of following Jesus in your own life?

*"The distance between the Earth and the sun—ninety-three million miles—was no more than the thickness of a sheet of paper, then the distance from the Earth to the nearest star would be a stack of papers seventy feet high; the diameter of the Milky Way would be a stack of paper over three hundred miles high. Keep in mind that there are more galaxies in the universe than we can number. There are more, it seems, than dust specks in the air or grains of sand on the seashores. Now, if Jesus Christ holds all this together with just a word of his power (Hebrews 1:3)—is he the kind of person you ask into your life to be your assistant?" - Tim Keller*

- What do you think of this Tim Keller quote?

#### Read Luke 15:3-7

- Jesus went across a sea, through a storm, and past a legion of demons to get to one man; why?
- What did Jesus go through to get to you?
- What would Jesus have you do to get to those around you who are still lost?
