

Dear[MIG training organisation]

I hope this message finds you well,as a digital marketer I was analyzing your brand and I appreciate your work team for providing valuable tips on youtube and your website is providing a lot of services for the persons who are interested in hair education.

But I've noticed on your other platforms(facebook,instagrams) there aren't a high number of followers and interactions on your posts,and I am ready to help fix that gap by making interesting ads to increase the attention to direct them to the web,then customers.

Would you be open to a brief conversation to explore this further? I'd be happy to discuss how we can collaborate to achieve your goals.

Thank you, and I look forward to our conversation.

Best regards,

[Mark]
