The website is up and running contact Anne Velosa. Please use the website to advertise any and all business.

Old Business: Prior professional development was discussed and the results of participation, great participation. The charge of \$10 per person worked out well. The food was also a hit.

We are all bringing our Jim Click money for next meeting. Final. We need to take the stubs in and put the funds in the bank.

New Business: Where do we go from here, after some discussion the board has decided to do a professional development at De Colores Learning Center with the subject being about children's safety. Many mentioned there is a huge drug use and children are being enticed into using or see parents using drugs. The disrespect for themselves, environment and elders has diminished and we want to empower and support families. We will focus on keeping children safe.

We will offer two \$250 scholarships and extra little giveaways. Sibieanne will have a flyer for the next meeting for approval to be given out at De Colores as well as other merchants.

Elderly: Discussion was brought up that we should do something for the elderly such as making little care packages and delivering them to a group home where we know they only have 10 residents. Perhaps for Christmas or before.

Scholarships for Seniors: This will be a discussion as the board goes forth. It was mentioned that perhaps one or two \$1,000.00 may be possibility in the near future.

Meeting Adjourned at 7:48 pm.

Respectfully Submitted, Sibieanne Martinez
