WHO ARE THE COLORADO TITANS?

The Colorado Titans is an AAU Club Basketball Program founded in 2006 by Bruce Gamble. In 2008, Rick Jimenez took over the reigns of Director and the program is now going on its 20th year of existence. The Colorado Titans is a 501c3 non-profit organization that allows young men in the state of Colorado and surrounding states to play the game of basketball. In 2024, the Colorado Titans fielded 30 teams throughout the course of the year with players coming in from all across Colorado.

HOW MANY TEAMS DO YOU HAVE PER GRADE?

The number of players who participate in tryouts each season determines the number of teams that we field each year. We are a competitive program and not all of the players at tryouts will be selected for a team. We are currently looking at fielding two - three teams at each grade level.

HOW ARE TEAMS SELECTED?

Colorado Titans have a 2-day tryout for approximately 1.5 - 2 hours. Players are evaluated by the Titans coaching staff, then ranked individually overall as well as by position. Following a thorough and objective evaluation process, players selected for the Gold team are offered roster spots first. When the Gold team has been confirmed, players selected for the Black team will receive team offers. If there are enough players for a third team, players will be offered spots on the White team.

HOW WILL PLAYERS BE NOTIFIED OF TEAM SELECTION?

Players / families will be notified if their son has been selected to a Colorado Titans team within 96 hours after tryouts are completed for each respective age group. Once notified by email, players/families will have between eight to twenty-four hours to decide if they would like to commit to the team that they have been selected for.

HOW MANY PLAYERS ARE SELECTED FOR EACH TEAM?

Our goal is to have 9 - 10 players on each team. This allows the organization to be more cost effective. Additionally, 9 - 10 player teams ensures that we will have enough players to field a team in tournaments when players can't play due to injuries, vacations, school functions, family functions, etc. There are some circumstances in which we do carry more than 10 players, but our players' families are aware of this unique situation.

WHAT ARE CLUB FEES FOR THE SPRING/SUMMER SEASON - WHAT DO THEY COVER?

Our Staff comprises 40 coaches who have been selected by the Director and approved by the Board of Directors. Many of our coaches have been with our program for more than 10 years! Our coaches all have extensive backgrounds with the game of basketball and communicate exceptionally well with young men and women. Many of our coaches are currently coaching at the high school level or have done so in the past. We also have several coaches who were once Titan players and are now giving back to the players in our program. We have two coaches per team.

For the 2025 basketball season the Colorado Titans will be participating in the Prelude 32 and Elevate 32 sports programs which is powered by New Balance Basketball. The Colorado Titans will be the only club from Colorado on this circuit. The directors of the P32 and E32 have done an outstanding job of recruiting some of the top clubs and players from around the country to be part of their program. As an organization we felt this was the right time for the Colorado Titans to join their circuit as we embark on YEAR 20.

Teams on the circuit will have to wear New Balance apparel and shoes at all times when we are playing in their league and New Balance will put together their gear package for us to choose from. Once we get final details from them and teams are selected we will start getting that information to all of our team members.
