

Peter Quill - Starlord

Legendary Outlaw

Taken from Earth as a child

Hooked on a feeling

All that deserves a name:

Earth: a planet of Outlaws

Super Awesome Mix Vol. 1: 70s music on a cassette and walkman

Milano: your ship. Think Millennium Falcon but more shiny

Yondu and the Ravagers: Space Pirates, Thieves and Nomads. Would eat you.

Feats Heroic

Hero: You rally everyone to keep fighting for this shit and make a last heroic push.

Asshole: Recalls someone who still owes him and will get his head out of the noose

Trick of the Trade:

Something Good, Something Bad, a bit of both

When you have done something heroic or douchebaggery, you may explain your actual reason for doing it to flip everyone's perception to the opposite of their first reaction.

Gamorra

Assassin with a conscience

No patience for fools

Cosmic-size family issues

All that deserves a name:

Thanos: Adopted Father, Mad Titan, Big and Purple

Nebula: Adopted blue cyborg assassin sister

Zehoberi: Your dead people

The Kree Empire: kind of on a hunt for you

Godslayer: a blade so sharp it can cut gods

Feats Heroic

Hero: Run, dodge and twist past all of them to hit the big red button or steal the important thing.

Asshole: Mercilessly dispatch someone that offended you.

Trick of the Trade:

Oh sister mine:

After years of sisterly competition all bridges between you and Nebula are burned. Once during the game, before a phase begins, you may make the next phase a Perilous Phase & then make her the Storm.

Rocket

Cybernetic and genetic experiment

Ain't nobody like him

Don't call him a rodent

All that deserves a name:

Halfworld: A twisted place that created you and deals in false memories

Multi-Function-Gun: Can do basically everything. Is also a Rocket Launcher, Mine Layer and probably 3 other illegal things

Oreo: some kind of Earth-cookie Quill got you a few days ago

Troyans: 2 alien brothers that still owe you money, but they also want your pelt

Feats Heroic

Hero: Create a useful gadget for another character to use from spare parts.

Asshole: BAM BOOOM KRAKAKOOOM! Empty all your clips in a giant rain of shells and explosions.

Trick of the Trade:

Cunning Strategist

Once during the game, before a phase begins, you may make the next phase a Guardian Phase that must demonstrate your ability to create a plan that can get you out of every situation.

Groot

Houseplant/Muscle

vocabulistics is limited

BIG softy

All that deserves a name:

I am Groot

I am Groot

I am Groot

I am Groot

I am Groot I am Groot

Feats Heroic

Hero: Unleash glowing spores that can lighten the way, raise the spirits or confuse your enemies

Asshole: Ignore the puny flesh-sacks and knock everybody to the ground with your branches.

Trick of the Trade:

Regeneration

Once per game you may sacrifice yourself to protect your friends from the greatest of harm. You will re-enter the next scene as an adorable plotted plant. After that you continue to grow.

Drax - The Destroyer

On a rampage across the galaxy

Searching for vengeance

Doesn't get metaphors

All that deserves a name:

Kamira: Your dead daughter. Killed by Ronan the Accuser

Hovat: Your dead wife. Killed by Ronan the Accuser

Thanos: The mad titan, Master behind Ronan and responsible for the death of your family

Cammi: A girl for earth. A total fangirl of yours.

Feats Heroic

Hero: Hold them off long enough for the others to do their thing

Asshole: You bring all sorts of trouble down on everyone's heads. Whatever it is, it's catastrophic

Trick of the Trade:

Literally Will find you

You have an uncanny ability to find those you hunt. Once per session you may demand that the next phase is a discovery phase that may not end until you discovered the current whereabouts of whomever you hold a grudge against.
