Bio

Rebel Rose is a “Figment of Your Fantasy”, known for her theatrical and glamorous approach to burlesque. This eclectic storyteller gets her unique blend of charm and artistry from an extensive background in performing arts. She grew up on stages all over the US and began competing in dance internationally at age 16. From whip cracking to fire eating and singing jazz, this multidisciplinary enchantress loves to keep you guessing. Rebel Rose is a sensual masterpiece with an iconic quality that leaves audiences spellbound.

Her ability to improvise and connect with any audience has landed her on stages performing with live bands such as Sacramento’s biggest and boldest jazz orchestra lead by **Peter Petty** and Eugene’s electro-swing group **High Step Society**. She is a core member, costumier and choreographer in Bay area neo-Vaudeville troupe **Fou Fou Ha!** and Nevada City’s clown character group **RaZzle DaZzle Presents**.

Rebel Rose moonlights as Headmistress of **The Fringe Society**, a production company specializing in bespoke entertainment for both community and private events in the Bay area and beyond. In between gigging and producing, Rebel Rose also offers private and group lessons out of her home studio in the Sierra foothills and throughout the Bay Area.
