Email [matt@paddleuppickleballclub.com](mailto:matt@paddleuppickleballclub.com) if you have any questions!

When you arrive at the Club, check in with the Front Desk before heading to your court!

Please send substitutes players in your place if you cannot make your league matches. We have a facebook group linked above to help you find subs for your team if needed! Please contact the front desk if you are not coming for your matches and are not sending subs.

Each night, your team is scheduled to play two matches. Matches are 40 minutes long, consisting of 2 games played to 11 (win by 1), and game 3 played to 7 points (win by 1) if necessary or time permits. Please make sure to report total games won and lost to the league manager. Teams each call their own sides of the court, and balls should only be called "out" if the player is 100% certain that the ball was out of play. If you cannot tell, then the ball is to be played as "in."

**The table schedule below may not always be updated, but the official league page is at: [www.quickscores.com/pupc](http://www.quickscores.com/pupc)

**Playoff Week** - If you bring a substitute, they must have been listed on your roster at registration/have played multiple weeks in the league as your partner, or be a lower level player than your partner. If they were not, then your team can still play your first match, but must forfeit and allow the other team to advance in the tournament. The tournament is single match elimination, in which the matches are played as a best of 3 games (Win by 1, with game 3 played to 7 points). When your team is eliminated, you may stay and play pickup games on the open courts listed.
