3:50	Welcome and Community Discussion: PTO and Schoolyard Plan	Martine/Annie
	● PTO Update 　○ Still need a family member represented from each grade level 　○ School carnival is going forward 　○ How can we be intentional and specific in messaging our goals and plans to improve our student and community experience. 　○ How can we support each other? PTO/HPH need one parent from ESP and HPH per grade level for the Community Panel. Teachers ask specific parents who do not currently have a voice. ● Schoolyard Update 　○ Grant status: Applied for a grant for 25/26 school year, and found out we received $350,000. They're not sure where the rest of the funding will come from—looking at breaking the project into parts (away from the retaining wall) so that the community sees positive change. 　○ Other fundraising opportunities
