

About us:

Dice Go("PL" or "we") respect your preferences concerning the treatment of Information that we may collect. This Privacy Policy explains what kind of information we collect, use, share and the security of your information in relation to our mobile applications ("Applications" or "Apps"). Please take a moment to familiarize yourself with our privacy practices.

By installing the apps on your mobile device, entering into, connecting to, accessing and/or using the apps, you agree to the terms and conditions set forth in this privacy policy, including to the possible collection and processing of your information and you are consenting to the use of cookies and other tracking technologies on your device.

Please note: if you or, as applicable, your legal guardian, disagree to any term provided herein, you may not install, access and /or use the apps and you can promptly erase them, and any part thereof, from your mobile device.

What information we collect

Our primary purpose in collecting information is to provide you with a safe, efficient and customized experience

1. Personal Information

We do NOT collect any Personal Information about you. "Personal Information" means personally identifiable information, such as your name, email address, physical address, calendar entries, contact entries, files, photos, etc.

2. Non-Personal Information

We collect non-personal information about your use of our Apps and aggregated information regarding the usages of the Apps. "Non-Personal Information" means information that is of an anonymous nature, such as the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, and information about the way you use the Applications.

What is Saved & Where

The app doesn't store any information outside the phone. Moreover, the app also does not require local storage permissions. Everything the app saves locally boils down to simple key value stores provided by either Android / iOS platforms

How we use your information we collect**1. Personal Information.**

We do NOT collect and use Personal Information in any way.

2. Non-personal Information.

Generally non-personal information is used internally to monitor and improve the Services, to perform analyses of the behavior of our users, to measure user demographics and interests, to describe our services to third parties such as advertisers and to analyze how and where

best to use our resources. We do not combine Non-Personal Information with Personal Information.

How we share the information we collect

1. Personal Information.

We do NOT collect and share Personal Information in any way.

2. Non-personal information.

We accept advertisements from Third Parties ad networks which may be displayed in our Apps. We may share certain information with third-party advertisers, ad networks and ad platforms ("Advertising Entities") to develop and deliver targeted advertising in the Apps.

Compliance with laws and law enforcement

We reserves the right to share your information with third parties if we believe such action is necessary in order to: (1) conform with the requirements of the law or to comply with legal process served upon us; (2) protect or defend our legal rights or property (3) investigate, prevent or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person or violations of the terms and conditions of using our Apps and Services.

Changes to our Privacy Policy

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy . Your continued use of the Apps and Services following the posting of changes will mean you accept those changes.
