

CAPTION FOR REEL ON OCT 18 2024

Every single person has failed ➡️📱

That's where real growth happens

Every failed rep, every set you gave out early on

—it's not defeat; it's been a launchpad for more...

Embrace your failures , Embrace the stumbles

This is proof of you pushing forward

Surely getting stronger...

Failure has ALWAYS shown me i was testing my limits

And breaking barriers I thought I would never break

Because even when I KNEW this was tough

I ALSO knew what was on the other side.
